MEMO

Date: February 13, 2025
To: City of Breezy Point - Streets Committee
From: Widseth - Nick Peterson
Subject: Agenda Items

At the previous committee meeting we had a couple of items that we requested action on from the committee. We do not have any items that we would require action on this month. We are continuing to work through the CIP and receiving valuable information and feedback from City staff and the Streets Committee.

Items to discuss at the February Committee Meeting:

- Updated Sanitary Sewer Map
- Lift Station Inventory
- 2025 Road Project Selection/Recommendation (City)

Thank you,

Nick Peterson, EIT
