

VISION STATEMENT

The City of Breezy Point, set in beautiful natural surroundings with abundant recreational amenities, strives to provide secure and enjoyable neighborhoods for all residents and visitors of all ages. The City and residents work together to sustain planned growth while building upon social connections and identity for the community.

THE PRIORITIES THAT GUIDE OUR DECISIONS:

Long Term Financial Planning

Ensure the City's long-term financial sustainability through proactive planning, stable levy growth, and strategic investment in core infrastructure and reserves.

Street Infrastructure

Maintain and improve the City's street network through disciplined funding, thoughtful debt planning, and strategic implementation of the Street CIP.

Community Engagement

Strengthen communication, visibility, and connection with residents through enhanced outreach, technology, and community-building initiatives.

Planning and Development

Guide projects and development in a manner that aligns with the City's vision through coordinated planning efforts, updates, and strategic investment decisions.

Organizational Management

Build a strong, sustainable organization through strategic staffing, compensation and succession planning, and effective governance partnerships.
