--	---	------------------------------	--

### **COUNCIL ACTION REQUESTED**

None

### **BACKGROUND/DISCUSSION**

At the July council meeting, Public Works was directed report on a shoreline stabilization plan for Shoreview Lane. An additional estimated 500 live stakes will be placed at a spacing of one live stake about every three feet along the highlighted areas on shown on the following map. The damaged shoreline will be repaired with topsoil, erosion mat and seed from existing supplies. Staff will harvest some live stakes from existing vegetation on the west side of Shoreview Lane and the remainder will be purchased. All costs will be taken from existing Public Works landscaping operating budget. The highlighted areas will also be roped off from fall of 2025 to sometime in 2026 to allow the vegetation to establish. The work would be completed in September or October of 2025.

### **FINANCIAL IMPACT**

\$1,500 with half to one full day of full public works staff time to complete

### **STAFF RECOMMENDATION**

N/A

### **SUPPORTING DOCUMENTS**
