RE: Tobacco Ordinance Memo
DATE: November 6, 2023

Summary

On Thursday, July 13, 2023, the Parks and Recreation Committee requested the City Council create an Ordinance banning the use of tobacco products at City Parks. Council considered this request during their Monday, August 7, 2023, Regular Council Meeting and directed staff to bring back the item when time allowed.

As such, staff has been working on drafting a Tobacco and Smoking Ordinance and is seeking Committee comment on the draft before submission to Council. A presentable version of that draft is still under development and will be given to the Committee during their Regular Meeting scheduled for Thursday, November 9, at 5:00 PM.

Committee Action

Staff request the Parks and Recreation Committee review the provided Tobacco Ordinance, when available, and send to City Council for final approval.
