RE: City Council Workshop
DATE: June 5, 2023

Following the discussion that took place at the City Council Retreat as well as having received lots of questions from councilmembers, committee members, and members of the public, staff believes it would be beneficial for the City Council to consider adopting bylaws and a code of conduct for all City boards, committees, and commissions.

If the City Council would like to consider adopting bylaws and a code of conduct, staff recommends starting the conversation with a City Council workshop in June.

Council Action

Staff requests that the City Council consider holding a workshop on either Tuesday, June 13 at 1:00pm or Wednesday, June 14 at 7:00pm following the city hall open house.
