

TO: Mayor and Council

FROM: Police Chief Brian Sandell

DATE: October 1, 2024

MEETING DATE: October 7, 2024

Agenda Item: 2025 Police Tahoe Order

Background: After COVID delays have continued with our squad purchases. We have been ordering our vehicles in October in an attempt to receive them the following year. If we wait until December or January to place the order there is a good chance the vehicle will not arrive within 2025.

Requested Action: Approve ordering a 2025 Police Tahoe.
