

TO: Mayor and Council

FROM: Police Chief Brian Sandell

DATE: October 1, 2024

MEETING DATE: October 7, 2024

Agenda Item: Percheron Drive Data

Background: Council directed the police department to place the speed sign on Percheron Drive in order to attain traffic numbers and speeds. The sign was placed on September 10th and the data was downloaded on October 1st. The sign was in black out mode and did not display any speed. This was done to collect the most accurate reading without influencing the driver.

Requested Action: Review Percheron Drive traffic data.
