

CITY COUNCIL MEETING

AGENDA ITEM

Prepared By:*Joe Zierden, Public Works Supervisor****Meeting Date:****10/6/2025****Item Name:****Pond 4 Transfer Valve Repair***BACKGROUND/DISCUSSION**

The gate valve in pond 4 is stuck shut and likely has a broken stem. While operation of the pond has been maintained, it relies on a flexible hose to fill the pond. This has proven troublesome in winter accelerating wear and adding bypass risk. Due to the requirement of a trench box and possible presence of ground water it was felt the repair should be contracted out. Operating funds from general operating/repair & maintenance supplies are sufficient to pay for the repair. Two repair estimates were obtained after contacting four contractors.

FINANCIAL IMPACT

\$8,000

STAFF RECOMMENDATION

Select the low repair bid.

COUNCIL ACTION REQUESTED

A motion to approve the gate valve repair from Schrupp Excavating.
