RE: City Council Workshops Discussion
DATE: April 1, 2024

Background

Councilmember Jensen has requested that the City Council have further discussion on the future of workshops. Specifically, he has requested that the Council discuss:

1. Does the council still want to have workshops?
2. If so, what is the best time to start the meeting?
3. When survey is sent out for meeting times.
 - a. What is the expectation for council members to respond?
