Allie,

Deb gave me your contact info; we (Community Ed) are looking for a space to use during the day for our Driver Improvement classes. The space needs to have a projector (the instructor, Sheriff Klang, brings his own laptop to use for the presentation).

Deb shared your rental information, the issue is, we can't afford to rent the space. We do charge a fee for the driver improvement class, but we in turn pay this fee to the MN Hwy Safety program that runs these Driver Improvement classes (they cover our credit card & processing fees), we do not make money on these classes, so we are unable to pay rent. We need a space during the day when school is in session (we use the school for evening classes & summer classes); we had been using the Pequot Lakes Library for our daytime, school year classes, but they have another group that would like to use it when we need it (these classes are already scheduled).

I'm reaching out to see if you would be able to waive the rental fee for us.

Here is the class info:

Driver Improvement 55+ classes

9 AM - 1 PM

October 14

November 18

January 27

I completely understand if you aren't able to accommodate this; it's a big ask.

If you have any questions please let me know. Thank you for your consideration.

Best Regards,

Andrea
