In order to receive regular wages, the employee must provide the City with a copy of the summons and any documentation related to attendance.

An employee who is subpoenaed to appear in court in an official capacity shall be allowed to do so without loss of compensation. An employee subpoenaed to appear in court in a matter unrelated to his/her official capacity as a City employee shall be permitted time off without pay. The incentive increase shall be given to any employee who has twenty (20) years of consecutive service as of January 1, 2023.

ARTICLE 23. MANDATORY ADMINISTRATIVE LEAVE

The appointing authority may place an employee on administrative leave where, in his/her judgment, such action would be in the best interests of the City service. This leave may be with or without pay. Its application may include, but not be limited to, situations where disciplinary matters are pending.

ARTICLE 24. OTHER LEAVES WITHOUT PAY

The appointing authority may grant a confidential employee a leave of absence without pay for a definite period not to exceed three months. Department heads may grant such leaves not to exceed five working days.

The request for leave, and the reasons therefore, shall be submitted in writing by the employee and must be approved in advance by the appoint authority or the department head, as appropriate.

On expiration of the approved leave, the employee shall be reinstated to his former position or to a comparable one if the former position is abolished during the period of leave and the employee otherwise would not have been laid off. Based upon unforeseeable changes in operating requirements, the appointing authority may recall the employee from leave prior to its expiration. Failure on the part of an employee to return to work on the date originally scheduled or subsequently modified shall be considered as a resignation.

ARTICLE 25. LEAVES OF ABSENCE WITHOUT PAY: EFFECT ON SENIORITY AND BENEFITS

Except as provided under State law for employees on military leave of absence, employees on leaves of absence without pay shall not, after the first 30 days of such leave, accrue service or leave credits, no shall the City be required to maintain contributions toward group insurance coverage. During the period of such leaves, all service and leave credits shall be retained at the levels existing as of the effective date of the leave.

ARTICLE 26. LAYOFF PROCEDURE

See City Personnel Rules and Regulations

ARTICLE 27. DEMOTION

- A. Based upon an employee's request or upon an employee's demonstrated inability to perform the tasks of the position, the appointing authority may demote an employee to a position in a classification which carries a lower maximum rate of pay and which the employee is qualified to perform. Under these circumstances, the employee's new rate of pay shall be that step on the new salary range which most closely corresponds to the employee's former salary step.
- B. Where such action is based upon an employee's inability to perform the work of the current position, the employee may appeal the action of the appointing authority pursuant to Rule 15 of the City Rules and Regulations.
- C. Advance written notice of demotion, together with the effective date, shall be provided to the employee and the employee's department head.

ARTICLE 28. TRANSFER

- A. An employee may be transferred by the appointing authority from one position to another position in the same classification or in a comparable classification carrying the same maximum salary rate and which the employee is qualified to perform. Where a transfer would involve two (2) departments or two (2) divisions of the same department, the transfer shall be subject to the approval of both department heads unless it is being made for the purpose of economy or efficiency.
- B. Advance written notice of this action, together with its effective date, shall be provided to the employee and the affected managers.

ARTICLE 29. PROMOTIONS

Candidates who successfully complete all components of the examination shall be placed on the appropriate employment list. Preparation and maintenance of employment lists is the responsibility of the Personnel Officer.

All open competitive and promotional lists shall remain in effect for one year unless exhausted or abolished within that period as provided. The Personnel Officer may extend such list for up to six months. The effective date of a list shall be that date on which it is approved for posting by the Personnel Officer.

ARTICLE 30. PROBATIONARY PERIOD AND PERFORMANCE RATINGS

The probationary period shall be regarded as part of the testing process and shall be utilized for closely observing the employee's work, for securing the most effective adjustment of the employee to the new position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

All original appointees shall serve a probationary period of twelve (12) months. Promotional appointees shall serve a probationary period of not less than six (6) months, nor more than twelve (12) months.

Where the probationer loses time from the job, whether paid or unpaid, in sufficient amounts as to detract from the stated objective of Rule 11.10 in the City Rules and Regulations, the appointing authority may extend the period of probation beyond the limits contained in the preceding paragraph. This extension may not exceed the aggregate amount of lost time which caused the extension. The probationer shall be so advised prior to the effective date of the extension.

It shall be the duty of each department head and immediate supervisor to investigate carefully the probationer's adjustment and performance to determine whether or not the probationer is qualified for permanent status. The department head shall submit to the Personnel Officer an evaluation of the probationer's performance at times specified by the Officer, but no less than twice during the employee's probationary period.

The final probationary report on each probationer shall include, and earlier reports may include, the department head's recommendation regarding retention.

During the probationary period, an appointee may be rejected at any time by the appointing authority without cause and without right to appeal. Notice of rejection shall be served in writing on the probationer.

An employee rejected during the probationary period from a position in the Classified Service to which he/she has been promoted shall be reinstated to a position in the class from which he was promoted unless the rejection results in dismissal from the City service. Where rejection results in dismissal, the employee shall have the right to appeal such action in accordance with Rule 14 of the City Rules and Regulations and shall be furnished advance notice pursuant to Rule 13.02 of the City Rules and Regulations.

Performance reports shall be completed at least annually for all personnel having permanent status. Such reports may be required more frequently by the Personnel Officer.

The appointing authority may take disciplinary action against an employee for misconduct including, but not limited to: chronic absenteeism; incompetence; insubordination; failure to follow work rules; misstatement of fact on an application or other personnel document; falsification of records; unfitness for duty; and absence without authorized leave.

The disciplinary action(s) taken may include suspension, pay reduction, demotion, discharge, or any combination of these or other appropriate penalties.

All disciplinary action taken against an employee must receive the prior approval of the appointing authority except under emergency circumstances which dictate immediate suspension

of the employee by the department head or supervisor. In such cases, the employee's department head shall immediately report the action taken to the appointing authority who shall review the case and make a determination concerning the appropriateness of the suspension and of further disciplinary action.

All actions resulting in salary reductions or demotions shall be subject to review by the appointing authority and the department head involved within thirty (30) days following the effective date of the initial action and at regular intervals thereafter.

Employees shall have the right to appeal disciplinary actions pursuant to the applicable provisions of Article 29 set forth below (see Step 4).

Formal grievances shall be processed beginning with Step 2 of this procedure.

STEP 2: An employee dissatisfied with the decision of the immediate supervisor in Step 1 may submit the grievance to his department head within seven (7) working days from the date of the immediate supervisor's decision. The department head shall respond to the grievance in writing within seven (7) working days from the date of its receipt.

STEP 3: If the employee is dissatisfied with the decision of the department head in Step 2, he/she may submit the grievance to the appointing authority within ten (10) working days from receipt of the department head's response. The appointing authority, or his designated representative, shall respond to the grievance in writing within ten (10) working days of its receipt. Within this period the appointing authority, at his/her discretion, may conduct an informal hearing involving the parties to the dispute.

STEP 4: For any disciplinary suspensions, disciplinary demotions or disciplinary terminations and for no other action(s), an employee who is dissatisfied with the decision of the appointing authority in Step 3 may submit the grievance to arbitration within ten (10) working days from receipt of the appointing authority's decision.

The City and Group shall meet promptly to select a mutually-acceptable arbitrator. The fees and expenses of the arbitrator and a court reporter shall be the responsibility of the City, except in cases where allegations are of criminal misconduct, dereliction of duty, abandonment of position, gross negligence or moral turpitude. Each party, however, shall bear the cost of its own representation, including preparation and post-hearing briefs, if any.

Decision of arbitrators on matters properly set before them shall be final and binding on the parties hereto.

ARTICLE 33. OUTSIDE EMPLOYMENT

Employees shall not carry on, concurrently with their public employment, any other employment, business or undertaking which conflicts or interferes with their City employment.

Outside employment shall not be undertaken by full time employees unless the department head and the appointing authority first approve the employment and determine that it will not adversely affect the employee's quality of work or availability for City service.

Under no circumstances shall an employee be authorized to perform any function related to outside employment or activities during working hours.

ARTICLE 34. USE OF CITY FACILITIES

Upon reasonable advance notice, the City Manager or designee may authorize the use of appropriate City facilities by recognized employee organizations for meetings involving City employees they represent. Such meetings shall not conflict with the conduct of normal City business nor be held during on-duty time of the City personnel concerned.

Exceptions to the aforementioned on-duty policy may be granted by the City Manager or designee where it is clearly necessary for a represented employee to confer with his employee representative on a matter concerning employee relations and the City. The time devoted to such meeting shall be kept to a minimum, and the employee representative shall notify the responsible supervisor or manager when arriving at and leaving the work site.

Except as provided above, employee representatives shall not have access to City premises for the conduct of union or association business.

Upon request, the City Manager or designee shall also provide a reasonable amount of space at appropriate City facilities for posting of material by recognized employee organizations. This material shall be subject to review by the City Manager or designee prior to posting. Space allotted for this purpose shall be withdrawn should any posted material contain inflammatory or other objectionable content.

ARTICLE 35. PROHIBITED ACTIVITIES

No employee organization shall encourage participation in, nor shall any employee participate in any strike, picketing, slow down, sick-out, or any other form of concerted activity against the City during the term of this agreement; nor shall any employee recognize any picket line in the course of his duty, nor in any way be involved in the reduction or denial of City service to any premises because of a labor dispute. Any employee who violates any portion of this section is subject to disciplinary action.

ARTICLE 36. WAIVER PROVISION OF BARGAINING DURING TERM OF AGREEMENT

Except as specifically provided for in this Agreement or by mutual agreement in writing during the term of this Agreement, the Group and the City hereby agree not to seek to negotiate or bargain with respect to any matters pertaining to rates, wages, hours, and terms and conditions of employment covered by this Agreement or in negotiations leading thereto, and irrespective of whether or not matters are discussed or were even within the contemplation of any parties hereto during negotiations leading to this Agreement, and any rights in that respect are hereby expressly waived during the term of this Agreement.

During the term of this Agreement, the Group may, upon action by its Executive Board, request in writing to reopen and meet and confer regarding working conditions. This re-opener shall not apply to salary, insurance, or any other monetary item(s), nor shall it apply to specific individual problems, which shall be handled under the grievance procedure.

ARTICLE 37. EMERGENCY WAIVER PROVISIONS

In the event of circumstances beyond the control of the City, such as acts of God, fire, flood, insurrection, civil disorder, national emergency, or similar circumstances, the provisions of this Agreement which restrict the City's ability to respond to these emergencies shall be suspended for the duration of such emergency. After the emergency is over, the Group shall have the right

to meet with the City regarding their impact on employees of the suspension of these provisions in the Agreement.

ARTICLE 38. SEVERABILITY PROVISION

Should any article, section, subsection, subdivision, sentence, clause, phrase, or provision of this Agreement be found to be inoperative, void, or invalid by a court of competent jurisdiction, all other provisions of the Agreement shall remain in full force and effect for the duration of this Agreement.

ARTICLE 39. PAST PRACTICE

Continuance of working conditions and practices not specifically authorized by ordinance or resolution of the City Council is not guaranteed by this Agreement. The City shall not be relieved of its obligation to meet and confer with the Group regarding changes in working conditions and practices where otherwise required by law.

The City's Personnel Rules and Regulations shall remain in full force and effect unless contraindicated by a specific provision of the Agreement.

It is understood and agreed by the parties that this Agreement supersedes all previous agreements between the parties, and that upon approval by the Brisbane City Council it shall be binding and enforceable to the full extent permitted by law.
