Meeting Date: November 5, 2020

From: Clay Holstine, City Manager

Subject: Resolution Confirming and Ratifying the Proclamation Declaring the Continued Existence of a Local Emergency in the City of Brisbane in Response to the COVID-19 Pandemic

Community Goal/Result

Safe Community - Residents and visitors will experience a sense of safety

Recommendation: Adopt the attached resolution.

Background

The COVID-19 Coronavirus has been declared a pandemic by the World Health Organization and has prompted various government agencies to take action in response. The President has declared a national State of Emergency, the Governor has declared a Statewide Emergency, the County Board of Supervisors has declared a County wide State of Emergency and the City Manager, as Emergency Services Director, proclaimed a local emergency on March 16, 2020, and on March 19, 2020, the City Council ratified and confirmed the Director of Emergency Service's proclamation of a local emergency which allowed staff to expeditiously respond to the emergency circumstances caused by the pandemic.

On June 18, 2020, and on September 3, 2020, the City Council extended the local emergency. Since March 2020, staff has regularly informed the City Council about items related to the City's response to the COVID-19 pandemic. In addition, the Health Officer of the County of San Mateo has issued several directives and orders to address efforts to curb the spread of the disease. Although such efforts show signs of promise, the COVID-19 pandemic continues to impact communities around the world, including Brisbane.

Discussion

Government Code Section 8630(c) requires that, "the governing body shall review the need for continuing the local emergency at least once every 60 days until the governing body terminates the local emergency." Because the City Council will not meet in regular session until November 5, 2020 and the declaration of local emergency would otherwise expire on November 3, 2020, the City Manager, in his role as Director of Emergency Services, proclaimed on November 2, 2020 the continued existence of the local emergency as a result of the COVID-19 pandemic.

At this time, staff is recommending that the City Council adopt a resolution ratifying the Director of Emergency Services' proclamation continuing the existence of a local emergency in

response to the COVID-19 pandemic, and directing staff to continue to respond appropriately to the local emergency.

Financial Impact

There is no direct financial impact from City Council taking this action. The attached resolution, however, will put the City in a better position to recover funds that are expended in response to the COVID-19 pandemic.

RESOLUTION NO. 2020-62

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BRISBANE CONFIRMING AND RATIFYING THE CITY MANAGER'S/DIRECTOR OF EMERGENCY SERVICES' PROCLAMATION OF THE CONTINUED EXISTENCE OF A LOCAL EMERGENCY

WHEREAS, Section 2.28.060 of the Brisbane Municipal Code empowers the City Manager/Director of Emergency Services to proclaim a local emergency if the City Council is not in session and requires the City Council to take action to ratify the proclamation thereafter; and

WHEREAS, conditions of extreme peril to the health, safety and welfare of persons have arisen in the world, the nation, the State, the County of San Mateo and the City of Brisbane due to the following:

A novel coronavirus (named COVID-19 by the World Health Organization) was first detected in December 2019. The Center for Disease Control and Prevention (CDC) has stated that COVID-19 is a serious public health threat, based on current information. Cases of COVID-19 have been diagnosed throughout the world, the United States, the State of California, the County of San Mateo and the City of Brisbane.

The exact modes of transmission of COVID-19, the factors facilitating human to human transmission, the extent of asymptomatic viral shedding, the groups most at risk of serious illness, the attack rate, and the case fatality rate all remain active areas of investigation. The CDC believes, at this time, the symptoms appear two to fourteen days after exposure. Currently, there are no vaccine or specific anti-viral treatment for COVID-19.

Actions are being taken to protect public health and limit the spread of COVID-19 but the whether those actions will be successful is unknown at this time.

Due to COVID-19 pandemic, the President of the United States has declared a national emergency, the Governor of the State of California has declared a State of Emergency for the State and for all the Counties in the State; and the City of Brisbane's Director of Emergency Services declared a Local Emergency on March 16, 2020 and the City Council of the City of Brisbane ratified the Proclamation of a Local Emergency on March 19, 2020; and

WHEREAS, the City Council of the City of Brisbane extended the Local Emergency on June 18, 2020; and

WHEREAS, the City Council on September 3, 2020, ratified the proclamation of the

Director of Emergency Services to extend the Local Emergency and extended the declaration of Local Emergency for 60 days; and

WHEREAS, for the reasons expressed above, conditions of extreme peril and a serious threat to the public health, safety and welfare have arisen, and continue to exist, in the City of Brisbane; and

WHEREAS, the City Manager, acting as the Director of Emergency Services, did proclaim on November 2, 2020, the continued existence of a Local Emergency because the City Council would not be in regular session until November 5, 2020; and

WHEREAS, the City Council does hereby find that the above described conditions of extreme peril and serious threat to the public health, safety, and welfare did warrant and necessitate the proclamation of the existence of a local emergency in the City of Brisbane and those conditions continue at this time..

NOW, THEREFORE, BE IT RESOLVED THAT THE CITY COUNCIL OF THE CITY OF BRISBANE DOES RESOLVE, DECLARE, DETERMINE, AND ORDER THE FOLLOWING:

Section 1. That the “Proclamation of the Continued Existence of a Local Emergency”, as issued by the Director of Emergency Services/City Manager on November 2, 2020, is hereby ratified and confirmed.
