

CITY COUNCIL AGENDA REPORT

Meeting Date: June 4, 2020

From: City Manager Clay Holstine

Subject: Resolution Establishing the 2020 Business License Tax for Liquid Storage Facilities as to Kinder Morgan/SFPP

Community Goal/Result

Fiscally Prudent - Brisbane's fiscal vitality will reflect sound decisions which also speak to the values of the community

Economic Development - Brisbane will work with the businesses and residents to provide for economic vitality/diversity

Purpose

To establish for calendar year 2020 the amount of the business license tax charged to Kinder Morgan/SFPP for its liquid storage facilities in Brisbane under Section 5.20.011 of the Brisbane Municipal Code

Recommendation

Adopt Resolution 2020-42 imposing a business license tax in the amount of \$351,040 as to Kinder Morgan/SFPP.

Background

At the general election in November 2013 Brisbane voters approved an annual business license tax on persons engaged in the business of operating, leasing, supplying or providing a liquid storage facility in the City of Brisbane. The ballot measure added Section 5.20.011 to the Brisbane Municipal Code, allowing the City to impose up to a maximum business license tax of \$115.28 per year for each 1000 cubic feet of liquid storage capacity.

In 2014 and 2015, the City Council imposed by resolution a business license tax of \$38.91 for each 1000 cubic feet of storage capacity. In 2016 and 2017, the Council imposed by resolution a business license tax of \$115.28 for each 1000 cubic feet of storage capacity. As to Kinder Morgan/SFPP, LP, the owner of the only liquid storage facility currently in Brisbane, this rate translated to a tax of \$135,000 in 2014 and 2015 and to a tax of \$400,000 in 2016 and 2017. The company paid the \$135,000 for 2014 under protest in December 2014, paid the \$135,000 for 2015 in January 2016 under protest, and paid the \$400,000 in December 2016 under protest. The company did not pay the license tax for 2017 but filed a civil suit against the City in the San Mateo County Superior Court seeking reimbursement for the taxes paid in 2014, 2015 and 2016.

The litigation was settled in 2017. Under the terms of the settlement agreement, the City and Kinder Morgan/SFPP agreed that for 2017, the liquid fuel storage tax rate would be set by the Brisbane City Council at an amount that is equivalent to 3.5 cents per barrel of liquid fuel transported through the Brisbane Terminal for delivery at the terminal (“over the rack”), that for 2018, the tax rate would be equivalent to 4 and 1/3 cents per barrel and for 2019, the tax rate would be 5 and 1/3 cents per barrel.

Accordingly, based on the number of barrels “over the rack”, Kinder Morgan/SFPP paid \$261,093 for 2017, \$323,332 for 2018 and \$365,458 for 2019.

The settlement agreement also provides that at the November 2019 municipal election, Council would place before the voters a revision to the then current business license tax concerning liquid storage facilities that would provide that the tax rate will be up to 6 cents per barrel, with the exact rate to be determined annually by the Council. If the voters so approve, that liquid storage tax formula would then be applied for subsequent years but in no event would the tax be greater than \$400,000.

Discussion

Kinder Morgan/SFPP has provided the City with bill of lading (“BOL”) reports for 2019. These show that in 2019 there were 5,850,678 of barrels “over the rack”. These numbers are generally consistent with the estimates that are reflected in the settlement agreement. Adoption of the attached resolution will impose for 2020 a business license tax for Kinder Morgan/SFPP in the amount of \$351,040.

Fiscal Impact

As to Kinder Morgan/SFPP, Council’s adoption of the attached resolution will result in a business license tax of \$351,040 for calendar year 2020.

Measure of Success

Kinder Morgan’s/SFPP’s payment of \$351,040 to the City, which is expected by June 30, 2020.
