

CITY of BRISBANE

Council Subcommittee Update

From September 27th, 2025 to October 10th, 2025

1. Report Out on Subcommittees/Committees

A. Age Friendly Subcommittee

10/1

Lentz, Kern

The subcommittee received highlights on the Age Friendly Task Force meeting. They identified a few key goals from each domain to focus on: Domain 1 (Outdoors) – Benches and replace the fitness equipment; Domain 2 (Transportation) – Teen Tech with seniors specific to transportation apps; Domain 4 (Social) - Library partnership & cross-promotion; Domain 6 (Social Inclusion) - Overlay with Council volunteerism efforts; Domain 8 (Health) – share information about free medical equipment www.freemedequip.org; and Domain 9 (Emergency Services) - Teen Tech to assist signups for SMC Alert, and identify small projects to assist with visible house numbers, among others.

Staff then introduced the subcommittee to a new interactive platform to oversee the Age Friendly project. This tool is a way for the community to engage with the action plan and review up to date information regarding the status of projects. The Domain/Goals of the Age Friendly Action Plan has already been uploaded and will launch shortly onto the City's website.

Staff then reviewed upcoming volunteer opportunities that are age friendly, such as at the “Grand-Stand” at Day in the Park, assist in the Halloween street closures, and volunteer to serve on a commission or committee.

There is an upcoming Age Friendly Cities event hosted by the City of Brisbane on Wednesday November 12th from 10:30am to 1:30pm at Mission Blue Center.
