

CITY COUNCIL AGENDA REPORT

Meeting Date: June 6, 2024

From: Karen Kinser, Deputy Director of Public Works

Subject: Sierra Point Landscape and Lighting District Annual Appointments, Preliminary Approval of Engineer's Report and Intention to Order the Levy and Collection of Assessments

Community Goal/Result

Economic Development

Purpose

To begin the process that will ultimately provide a public hearing to consider imposition of annual tax roll charges that fund Sierra Point's Landscape and Lighting Assessment District, which provides for maintenance of the landscaping, irrigation and lighting installed in 1989.

Recommendation

Adopt the following resolutions:

1. Proposed Resolution, "Appointing Attorney for the Sierra Point Landscaping and Lighting District for the Fiscal Year 2024-2025."
2. Proposed Resolution, "Appointing Engineer for the Sierra Point Landscaping and Lighting District for the Fiscal Year 2024-2025."
3. Proposed Resolution, "A Resolution of Preliminary Approval of Engineer's Report - Fiscal Year 2024-2025 - Sierra Point Landscaping and Lighting District"
4. Proposed Resolution, "A Resolution of Intention to order the levy and collection of assessments pursuant to the Landscaping and Lighting Act of 1972 - Fiscal Year 2024-2025 - Sierra Point Landscaping and Lighting District"

Background

These four resolutions are part of the required annual process for the Sierra Point Landscaping and Lighting District. In order, they appoint an Attorney and an Engineer of Record for the landscaping and lighting district, preliminarily approve the Engineer's Report (which specifies the work to be completed, the cost of the work, and the proportionate share of the costs within the district for the next fiscal year) and indicate intention to order the levy and collection of assessments for said district.

Discussion

The requested actions begin the annual process that provides funding for the operation and maintenance of the Sierra Point Landscaping and Lighting District. At a later meeting, a Public Hearing will be held to confirm and order the Improvements/Assessments.

If the Council chooses to not approve these Resolutions, then the city will most likely not have a mechanism to collect the assessments which fund the operation and maintenance of the landscaping, irrigation and lighting at Sierra Point.

Fiscal Impact

There is no direct fiscal impact as a result of approving the recommended resolutions; all work to be completed in this phase of the process will be completed by existing staff.

Measure of Success

Approval of the Engineer’s Report and confirming the assessments will allow for the ongoing maintenance and improvements of the landscaping, lighting and pathways at Sierra Point.

METHOD OF ASSESSMENT SPREAD

The amounts to be assessed against the parcels of property to pay the costs and expenses of the work and improvements shall be based on the estimated benefits to be derived by the various properties within the assessment district.

Construction and maintenance costs shall be segregated by zone, and then spread to the parcels within each zone in proportion to the area of the benefited parcels within the zone.

Incidental expenses shall be spread proportionally to the area of benefited parcels within the assessment district.

Due to the County Auditor's requirement that individual parcel assessments be rounded to the nearest even cent, the total of said individual assessments may not exactly equal the total estimate of costs.

² This portion of this parcel is private land over which the public has been granted access for use as the street, Tunnel Avenue.

³ No assessment has been imposed for a value less than \$100.

⁴ B6 and B7 are publicly owned portions of Tunnel Avenue.
