

## CITY COUNCIL AGENDA REPORT

**Meeting Date:** May 16, 2024

**From:** Karen Kinser, Deputy Director of Public Works

**Subject:** Adoption of Project as Intended Use of FY 2024-25 RMRA Funding

**This work is categorically exempt from CEQA per CCR Title 14 §15302.**

### Community Goal/Result

(1) Safe Community

#### Purpose

To satisfy the Fiscal Year Road Maintenance and Rehabilitation Account eligibility, accountability, and transparency requirements established by SB 1 (2017, Beall); this action is consistent with the community's value of being fiscally conservative.

#### Recommendation

Approve a Resolution adopting one (1) project, the Overlay of Monterey Street between Visitacion Avenue and San Bruno Avenue, for fiscal year (FY) 2024-2025 funded by Senate Bill 1 (SB 1): the Road Repair and Accountability Act of 2017.

#### Background

SB 1 (Beall) was filed with the Secretary of State on April 28, 2017. This bill established a Road Maintenance and Rehabilitation Account (RMRA) in the State Transportation Fund that is intended to address deferred maintenance on the state highway system and the local street and road systems. The bill also requires the California Transportation Commission (CTC) to adopt criteria to ensure efficient use of these funds.

The reason for recommending approval of the attached resolution is to satisfy the eligibility requirements of SB 1 while providing transparency to the community of the City's intended use of the SB 1 funds and holding itself accountable for the efficient investment of public funds to maintain public streets and roads with the annual expenditure reporting requirements. The City will report to the Commission by December 1 of each year on its use of RMRA funds received and/or spent each FY and account for all projects proposed in that FY.

#### Fiscal Impact

The project recommended for this year is to utilize 2024-25 RMRA funds to complete a mill-and-overlay of Monterey Street between Visitacion Avenue and San Bruno Avenue, as identified in the City's pavement management system. City will receive an estimated \$124,200 to fund the cost of this work.

## Measure of Success

Compliance with the SB 1 Local Streets and Roads RMRA eligibility requirements by the CTC's submittal due dates, allowing the City to receive its FY 2024-25 RMRA apportionment. Should the City fail to meet the eligibility requirements within the submittal period enforced by the CTC, the City will forfeit its RMRA apportionment, which will then be disbursed to other eligible Cities that fiscal year.

## Environmental Review

This work is categorically exempt from provisions of CEQA in that the proposal is replacement or reconstruction of existing uses on the same site as the existing facilities with no change in purpose or expansion of capacity (California Code of Regulations, Title 14, Division 6, Chapter 3, Article 19, §15302 "Class 2 – Replacement or Reconstruction").
