North County Fire Authority (NCFA) intends to apply for 2 separate grants. One is for fuel reduction (fuel break) work and the other is for public education and community outreach.

For the first grant, NCFA is requesting the amount of \$200, 000. If awarded, it will be used to enhance and continue work on the roadway fuel reduction.

For the next grant, NCFA is requesting \$100,000. If awarded, it will fund community outreach and education for outlining the importance of being ready for wildfires.

It is anticipated that the state will make its decision on which grants will be funded in June 2023.
