Re: Visitacion Garden Senior Apartment, 8 Visitacion Avenue/3 Inyo Street, Brisbane, CA (the "Project")

Dear Ms. Ayres,

This letter sets forth our proposal to enter into a new ground lease and management agreement for the Project. The purpose of this letter is to summarize the material terms of our mutual understanding regarding the ground lease and management of the Project by the Housing Endowment and Regional Trust of San Mateo County ("HEART" or "Buyer") and its assignee, HEART-SV. The landowner is referred to as the "City."

- 1. Debt Assumption** HEART is willing to assume the existing City and County of San Mateo loans ("Debt") on the condition that an appraisal demonstrates that the leasehold interest and improvements have a value equal to or greater than the Debt. If the valuation is less than the Debt, HEART requests a restructuring of the Debt.
- 2. Acquisition Price** The assumed (or restructured) Debt shall constitute the "Acquisition Price" of the Project.
- 3. Due Diligence Period** HEART intends to conduct a full due diligence review, including an appraisal, property needs assessment, Phase I environmental report (if not already provided by the City), and any other studies deemed necessary. HEART will have forty-five (45) days from the date the City notifies HEART that the City Subcommittee is recommending HEART for the Project (the "Due Diligence Period"). At the start of the Due Diligence Period, City will deliver to HEART any due diligence materials provided by the current owner.
- 4. Assignment** The City acknowledges that, immediately prior to closing, Buyer will assign the Project acquisition to HEART-SV, an affiliate of HEART, which will take title.
- 5. Financing** Based on the information provided in the Request for Proposals, HEART believes that existing rental revenue is sufficient to cover general operating expenses. However, outstanding repairs and future capital needs identified in the capital needs assessment exceed projected revenues. To address this gap, HEART proposes a

combination of a new City loan and a HEART loan. Following our own property needs assessment, HEART will confirm whether a capital infusion is necessary and, if so, in what amount, or whether future repairs can be funded through rent revenue.

6. Rent Restriction

HEART accepts and proposes to maintain the existing rent restrictions, while implementing subsidy “stacking” to ensure long-term project sustainability. HEART proposes one modification: replacing two 40% AMI units with one 30% AMI unit and one 50% AMI unit. This will allow rents to align with the State Office of Housing and Community Development (HCD) published rent levels.

To maintain viability, HEART intends to rent four units at 80% AMI. However, Health & Safety Code §§50053 and 50052.5 require that units restricted at 80% AMI be rented at 60% AMI rent levels. To serve 80% AMI households at appropriate rents, these units must instead be deed restricted at 120%. A table summarizing the current and proposed restrictions, subsidy stacking, and targeted occupancy is shown below.

AMI	Deed Restriction			Target
	City	HOME	HEART	
30%	2	2	3	3
40%	2	2	0	0
50%	0		1	1
60%	1	1	6	6
80%	1		0	4
120%	8		4	0
Total	14		14	14
Average AMI	89%		70%	59%

7. Current Tenants

HEART will honor all existing leases and designated AMI rent levels for tenants currently residing at the Project.

8. Affordability

Because the City’s original funding for the Project came from the former Redevelopment Agency, HEART understands that H&SC dictates the method of calculating rents for units regulated by the City deed restriction. HEART and the City further acknowledge that if City and County subsidies are stacked, five units will be subject to the lesser of HUD HOME Income Limits or H&SC-based limits.

9. Property Management

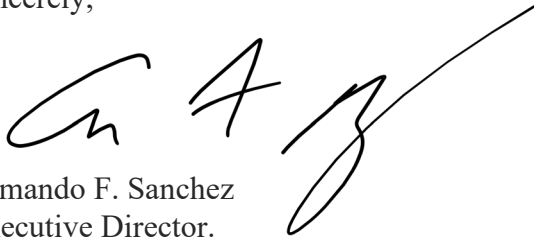

HEART believes that the Project’s prior financial challenges stemmed in part from reliance on part-time, on-site management and maintenance. We propose utilizing a capable, responsive off-site property management team to ensure both quality service to tenants and proper maintenance. Should this approach fall short, HEART is willing to adjust its strategy.

10. Repairs and Upgrades HEART proposes a \$300,000 construction budget to address identified repairs needed in the next three years. In addition, HEART will capitalize a \$90,000 reserve fund and contribute 10% of gross income annually, beginning with approximately \$20,000 in the first year, with contributions increasing in subsequent years. The combination of construction budget, capitalized reserves and the annual deposits to the reserve are sufficient to address all of the repairs identified in the capital needs assessment provided in the request for proposals.

11. Non-Binding Effect This proposal reflects the mutual understanding of the parties with respect to the general terms and conditions of the proposed transaction. Except for provisions expressly intended to be binding (if any), this proposal is non-binding and subject to the negotiation and execution of mutually acceptable definitive agreements.

Thank you for considering this proposal. We look forward to further discussions and to working together to preserve and strengthen affordable housing in the City of Brisbane.

Sincerely,

A handwritten signature in black ink, appearing to read 'Armando F. Sanchez', written in a cursive style.

Armando F. Sanchez
Executive Director.

Statement of Intent

HEART is proposing a new 55-year ground lease to operate and manage the Project.

HEART's Proposed Approach

HEART proposes to assume the existing Debt on the condition that an appraisal demonstrates the leasehold interest and improvements have a value equal to or greater than the Debt. HEART will conduct an appraisal as part of its due diligence review and if the valuation is less than the Debt, HEART requests to restructure the Debt.

The provided 2024 Capital Needs Assessment by Integrated Property Analysis identifies \$796,200 in capital needs. Completing the repairs based on the Assessment's schedule, the future cost of these repairs with inflation will be approximately \$980,460. However, the existing Project revenue does not support this level of repairs. To address this deficit, HEART proposes to establish a \$363,000 construction budget to immediately finance the first 3 years of capital needs, fund a \$90,000 capital reserve, and contribute 10% of gross income annually to the capital reserve fund. The immediate repairs, future repair schedule and total cost are subject to change based on the property needs assessment HEART will conduct once the City notifies HEART that the City Subcommittee is recommending HEART for the Project.

To pay for all costs associated with assuming the Project, including pay for the immediate repairs, the capital reserve, and the operating reserve, HEART is proposing a combination of a new \$350,000 City loan and a 15-year \$262,350 HEART loan.

HEART Experience

HEART is a Joint Powers Authority founded in 2003 in collaboration with the County of San Mateo and its cities to address the region's need for affordable housing for low- and moderate-income families. HEART operates a capital trust fund to provide short- and medium-term loans for the acquisition, predevelopment, and rehabilitation of affordable multifamily projects. Table 1 provides an overview of HEART's loan portfolio over the last 10 years.

In 2024, HEART launched its Preservation Program and established an affiliate organization, HEART-SV, to acquire Naturally Occurring Affordable Housing (NOAH) properties and provide rent stability for existing tenants. In July 2024, HEART completed its first acquisition of an 8-unit property in Redwood City, propelling HEART into property acquisition and operations. Armando Sanchez, Executive Director of HEART brings over 15 years of experience as a consultant with South San Francisco where he led the purchase and operations of 5 properties detailed in Table 2.

**First Amended
Joint Exercise of Powers Agreement
Housing Endowment and Regional Trust of San Mateo
County**

This Agreement which supersedes in its entirety the Joint Exercise of Powers Agreement entered into the 13th day of May 2003, which established the Housing Endowment and Trust of San Mateo County, pursuant to the provisions of the Joint Exercise of Powers Act (Title 1, Division 7, Article 1, §6500 et seq. of the California Government Code), is by and between the County of San Mateo (“County”) and those cities and towns within the County of San Mateo who become signatories to this Agreement, and relates to the joint exercise of powers among the signatories hereto, hereafter individually referred to as “Member Agency” and collectively referred to “Member Agencies”.

RECITALS

A. The Member Agencies are responsible for the health and safety of the residents within their geographic boundaries.

B. Each Member Agency has the individual power to plan, acquire, construct, manage, regulate, operate, and control the development, construction and operation of workforce and affordable housing programs generated within its jurisdictional boundaries, as well as to create and issue development agreements for such activities.

C. The Member Agencies find it in their mutual economic interest to address work force and affordable housing issues on a regional level.

D. A county-wide adequate supply of housing will provide social and economic benefits to residents and taxpayers of the Member Agencies.

E. The Member Agencies desire to act in the public interest to lessen the burden of government by reducing the need for each Member Agency to act individually, and to provide charitable support for workforce and affordable housing in San Mateo County.

F. California Government Code §6500 et seq. (“Joint Exercise of Powers Act” or “Act”) permits two or more public agencies to create joint powers authorities for the purposes cited herein, and permits the agencies to exercise jointly any power that the public agencies could exercise separately, and further grants certain additional powers to such joint powers authorities.

G. Local land-use decisions remain solely with the Member Agencies. Nothing in this Agreement deprives member agencies of their sovereign powers or transfers those powers to the joint powers authority.

NOW, THEREFORE BE IT RESOLVED that the Member Agencies do hereby establish the entity to be known as the Housing Endowment and Regional Trust of San Mateo County (hereinafter referred to herein as “HEART”), to generate and disburse funding that will result in permanent additions to the workforce and affordable housing stock within San Mateo County, and do hereby agree as follows:

1. **Purpose.**

1.1 The purpose of this Agreement is to establish an organization that shall be responsible for the joint fundraising, planning, adoption, financing, administration, review, monitoring and reporting of certain workforce and affordable housing program activities in San Mateo County. By entering this joint powers authority, the Member Agencies earn economic benefits not realized when operating individually. Further, the establishment of this joint powers authority provides for the economic viability and coordination of workforce and affordable housing program financing and facilities throughout San Mateo County.

1.2. HEART shall be an entity which is legally independent from the parties to this Agreement and shall be responsible for the administration of this Agreement.

1.3 The assets, rights, debts, liabilities, and obligations of HEART shall not constitute assets, rights, debts, liabilities, or obligations of any of the Member Agencies. However, nothing in this Agreement shall prevent any of the Member Agencies from separately contracting for, or assuming responsibility for, specific debts, liabilities, or obligations of HEART, provided that both the Board and the Member Agency approve such contract or assumption.

2. Powers.

2.1 HEART is authorized, but is in no way required, to act in its own name on any or all of the following matters, as each Member Agency could act separately, and as it deems in the best interest of its Members, to the extent permitted by any and all applicable laws, codes, ordinances, resolutions and regulations:

- a. Facilitate and assist the Member Agencies and others in the housing sector to acquire, construct, finance, refinance, operate, regulate and maintain housing programs, projects and facilities.
- b. Facilitate the planning, study, and recommendation of proper and appropriate housing programs, projects and facilities, and management practices. Research and study issues related to housing, including without limitation workforce, affordable and special needs housing.
- c. Educate the public, its Member Agencies, and other agencies and entities as to housing programs, projects and facilities, including without limitation workforce, affordable and special needs housing.
- d. Provide for or enter into agreements to provide for financial, engineering, legal, audit, and any other professional services supporting any of the HEART's programs or activities.
- e. Solicit, apply for, accept, and receive grants, gifts, donations, advances, and contributions.
- f. Hire agents and employees, including consultants and legal counsel.
- g. Sue and be sued in its own name.
- h. Incur and discharge debts, liabilities, and obligations provided that such debt shall be in the form of secured bonds, revenue bonds or other similar forms of secured debt.

- i. Issue bonds or notes and associated covenants, for designated purposes, subject to the provisions and limitations of the California Government Code.
- j. Acquire or protect any necessary security or leasehold interests involved in loans, bonds, notes, or other financing methods implemented to carry out the purposes of this Agreement.
- k. Acquire, hold, lease and dispose of real and personal property as may be necessary and appropriate in connection with the programmatic needs of HEART.
- l. Issue and receive loans.
- m. Acquire such insurance protection as it deems necessary.
- n. Adopt, as authorized by California law, resolutions necessary to carry out the purposes of this Agreement
- o. Utilize and establish advisory committees or subcommittees whenever necessary.
- p. Adopt bylaws and such other rules and procedures as may be deemed necessary.

2.2 HEART shall facilitate and encourage the creation, construction, development, and maintenance of certain workforce and affordable housing throughout San Mateo County.

3. Term and Termination

3.1 This Agreement shall be effective upon its execution by the County and at least three (3) cities, at least two (2) of which have an adopted housing element that the Department of Housing and Community Development has determined to be in substantial compliance with the requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code (“certified housing element”).

3.2 This Agreement shall continue at least until March 30, 2013, and thereafter shall continue until terminated or dissolved pursuant to Section 3.3 of this Agreement. However, in no event shall the Member Agencies vote to terminate or dissolve HEART if its termination or dissolution would conflict with or violate the terms or conditions of any bonds, financial instruments, or related documentation by or on behalf of HEART, including, without limitation, indentures, resolutions, and letter of credit agreements.

3.3. This Agreement may be terminated by consent of all Member Agencies, and upon full and complete liquidation of all liabilities, including, but not limited to any bonds. Upon the date

of termination (hereinafter “Termination Date”), payment of any and all obligations and division of any and all assets of HEART shall be conducted subject to the then-applicable requirements of the law, pursuant to the following:

a. In the event of termination of HEART where there is a successor public agency that will conduct all of the activities of HEART and will assume all of its obligations, any and all HEART assets and liabilities remaining upon termination of HEART shall be transferred to the successor public agency.

b. If there is no successor public agency that would conduct HEART’s activities, all assets and liabilities shall be apportioned to each Member Agency in proportion to the contribution of each Member Agency’s total contribution during the term of this Agreement.

c. If there is a successor public agency that would conduct some of HEART’s activities, then the Board shall allocate HEART’s assets and liabilities between the successor public agency and the Member Agencies each in proportion to its total contribution during the term of this Agreement..

d. In the event HEART is terminated under circumstances falling within (b) or (c) above, all decisions of the Board with regard to determinations of amounts to be transferred to the Member Agencies or any successor shall be final.

e. The obligations of HEART terminate on the Termination Date, and each Member Agency shall pay all amounts owed to HEART prior to that date. In the event of default by a Member Agency with regard to payment of amounts due, the obligation to pay all sums due to HEART shall survive and remain in full force after the Termination Date.

f. By unanimous agreement of all then current Member Agencies, said current Member Agencies may dispose of, divide, distribute, or return assets on a basis different from that established in this Section 3.

g. The assets distributed pursuant to this Section 3 to Member Agencies will be used for public purposes.

4. Governance

4.1 HEART is governed and administered by a Board of Directors (“Board”) that shall exercise all powers and authority on behalf of HEART. The Board shall consist of no more than 21 voting members (hereinafter “Directors”), as follows:

- 2 No more than two (2) members of the San Mateo County Board of Supervisors
- 9 No more than nine (9) City representatives appointed by the City Selection Committee of the Council of Cities from among city council members, provided only those cities that are Member Agencies may have a representative Director and no city may have more than one (1) representative Director.

These foregoing Directors shall be referred to as the “Public Directors”. Subject to any restriction that may be in the bylaws, the body selecting a Public Director may decide whether to select or allow alternates who may participate when the regular Public Director is absent.

- 10 Not more than 10 individuals who are not publicly elected officials, and who as broadly as may be reasonable, represent the following interests or constituencies: housing advocate groups; labor groups; non-profit developers; real estate development or sales; the population seeking below market housing; the faith community; local school districts or the County Office of Education; the business community; private foundations interested in housing; and finance or financial institutions. These Directors shall be referred to as the “At Large Directors”.

Initially, the Public Directors shall, by majority vote of those present at the meeting, select the At Large Directors. Thereafter, successor At Large Directors shall be selected by a majority vote of the voting Directors (Public Directors and At Large Directors) present at the meeting.

The number of Public Directors shall at all times be at least one more than the number of At Large Directors. Vacancies among the Public Directors shall be filled as soon as practical by the City Selection Committee of the Council of Cities to assure that this condition is met.

Additional ex-officio, non-voting, Affiliate Directors may be established by unanimous Board action, and such Affiliate Directors shall be referred to as “Affiliates”. Regular attendance by each Director and Affiliate shall be encouraged by the HEART Board and the Member Agencies.

4.2. Directors shall hold office as follows:

- a. The Public Directors’ terms shall be three (3) calendar years from March of the first year through February of the third year; provided, however the initial Public Sector Directors selected by the City Selection Committee of the Council of Cities shall each be deemed

to have started in March 2003, and shall have staggered terms such that three (3) have a one (1) year term, three (3) have a two (2) year term, and three (3) have a three (3) year term.

b. The At Large Directors' terms shall be three (3) calendar years from March of the first year through February of the third year; provided, however the initial At Large Directors shall each be deemed to have started in March 2003, and shall have staggered terms such that four (4) have a one (1) year term, three (3) have a two (2) year term, and three (3) have a three (3) year term.

c. There shall be no limit to the number of terms that a Director may serve.

4.3. Directors shall receive no compensation from HEART for serving on the Board. HEART may reimburse Directors for reasonable expenses necessarily incurred on the Board's behalf, with prior approval of the Board.

4.4 The Board may establish an Executive Committee to carry out any and all functions of the Board that the Board may delegate to said Executive Committee. Executive Committee members shall be Board members, but the exact composition of the Executive Committee shall be as determined by the Board.

4.5 The Board may establish Advisory Committees to advise the Board or the Executive Committee. Advisory Committee members need not be Board members. The composition and role of an Advisory Committee shall be as determined by the Board.

4.6 There is established a Member Agency Committee, at any given time composed of all the current Public Directors, plus one (1) City Council member from each Member Agency (as may be selected by that Member Agency) that does not have a council member on the Board at the time. The Board shall receive advice and input from the Member Agency Committee in all matters involving budgets, assessments to Member Agencies and decisions as to the jurisdictions in which Program funds are to be spent. The Member Agency Committee is intended to provide an opportunity for every Member Agency, whether or not it has a council member on the Board, to participate in the fiscal and programmatic deliberations of HEART. The Member Agency Committee may provide advice and input to the Board on additional topics or matters as may be set forth in the bylaws, or as may otherwise be determined by the Board from time to time.

5. **Budgets and Financing.**

5.1 The Board annually shall adopt, by a date HEART designates by resolution, an operating budget for HEART setting forth anticipated expenses, financing sources and proposed service levels necessary to carry out the purposes of this Agreement. The budget for HEART shall distinguish between Administrative costs (i.e., the cost of operating HEART) and Program costs (i.e., the financing of the programs funded or sponsored by HEART). HEART shall establish its fiscal year by resolution. Immediately after approving the annual budget, the Board shall recommend the budget to the governing bodies of the Member Agencies. The Board shall secure from each Member Agency contributions, appropriations and/or commitments to contribute services or other consideration in accordance with each Member Agency's obligations as determined by the Board as set forth in this Agreement. It is expressly agreed and understood that the Board has no authority to bind any governing board of any Member Agency to make the recommended contribution, appropriation and/or commitment and that this decision rests solely with each governing body. Each Member Agency shall deposit its monetary contribution to the budget with the HEART Treasurer on or before the date HEART designates by resolution. Contributions from private persons or entities and not-for-profit entities, whether or not their interests are represented by any At Large Directors, are acceptable so long as they do not cause a violation of any applicable conflict of interest statutes, rules or regulations.

5.2. In consideration of the mutual promises contained herein, the parties agree that they shall make the following annual contributions towards the Administrative budget of HEART: Initially, the County of San Mateo has or will, make available up to Seventy-Five Thousand Dollars (\$75,000) for the Administrative budget during the start up and initial work of HEART. Thereafter, funds required for the Administrative budget shall be provided by the contribution of each Member Agency and each Member Agency's contribution shall be its pro-rata share of the revenue needed for the Administrative budget as adopted by the Board of Directors. The pro-rata share of each Member Agency shall be based upon its population as then currently in use by City/County Association of Governments of San Mateo County (C/CAG). By unanimous vote, under special circumstances, the Board of Directors may waive one or more Member Agency's contribution. If a Member Agency fails to pay its annual contribution to the Administrative budget, during the period of such non-payment it shall forfeit any right it may have to have a Public Director from its jurisdiction on the Board. A Member Agency's contribution to the

Administrative budget shall be in the form of money, unless the Board approves another form of contribution such as services, personal property or use of real or personal property, or other in-kind contributions. The acceptance and valuation of any such non-monetary contributions shall be as determined by the Board.

5.3 The particular Programs and Program budget, funded, sponsored or operated by HEART, as well as the level of, and mechanisms for, the involvement of HEART and each Member Agency, in such Programs and Program budget, shall be determined and approved by the Board. A Member Agency's individual contribution, involvement and role in any particular Program or the Program budget shall be as may be mutually agreed between the Member Agency and HEART. By way of example only, said contributions, involvement or role may include: cash contributions, provision of services or staffing, use or transfer of title to real or personal property, participation or funding from the Redevelopment Agency under the control of or under contract with the Member Agency, pledges, guarantees or whatever other instruments or involvement the Member Agency and HEART may agree to. Contributions of all kinds to the Program budget from private persons or entities and not-for-profit entities, whether or not their interests are represented by any At Large Directors, are encouraged, so long as they do not cause a violation of any applicable conflict of interest statutes, rules or regulations.

6. Financial Management

6.1. HEART may appoint a financial manager to manage, hold, invest and distribute the funds of HEART ("Financial Manager"). The duties of the Financial Manager shall include those responsibilities as deemed necessary or appropriate by the Board. There shall be a strict accountability of all funds and report of all receipts and disbursements.

6.2. The public office or officers or person or persons who may be designated to have charge of, handle, or have access to any property of HEART, shall file an official bond in an amount to be fixed by the Board.

7. Staffing.

7.1. It is understood that HEART may require the support of its own administrative staff. When deemed necessary, the Board may employ or use a managing agent (“Managing Agent”), to implement the objectives of HEART. The Managing Agent may consist of a separate entity or an executive director. The Board shall have responsibility for all employment decisions regarding said Managing Agent, who shall serve at the pleasure of the Board.

7.2. The Managing Agent may be delegated authority as deemed necessary or appropriate by the Board.

7.3. The Managing Agent shall be responsible for the day-to-day administration of HEART under the direction of the Board. The Managing Agent shall have the authority to employ or use administrative staff consistent with the goals, needs and approved budget of HEART.

7.4. If there is a Managing Agent that is a separate entity, that Managing Agent shall designate who on its staff shall be the Executive Director of HEART, but the acceptance of such choice shall be subject to the approval of the Board.

8. Meetings

8.1. The Board shall schedule by Resolution at least two (2) regular meetings each Fiscal Year.

8.2. Special meetings of the Board may be called by the Chairperson and otherwise as in accordance with provisions of the California Government Code §54956.

8.3. All meetings of the Board shall be held subject to the provisions of California Government Code §54950 et seq. and other applicable laws of the State of California.

8.4. All meetings of the Board must be held within the County of San Mateo at a location determined by the Chairperson, except that the Board may hold a special meeting outside the County of San Mateo upon an affirmative vote in accordance with Section 8.8 of this Agreement.

8.5. The Secretary shall cause the taking and keeping of minutes of all Board meetings. Promptly after each meeting, the Secretary shall cause a copy of the minutes to be forwarded to each Director, either electronically or in paper form.

8.6 A majority of the Directors shall constitute a quorum for the transaction of business of the Board, except that Directors constituting less than a quorum may adjourn any meeting.

8.7 Each Director is entitled to cast one vote on any matter presented to the Board for a vote.

8.8 All decisions and actions shall be by a majority of the total number of Directors, regardless of the number of Directors present, unless otherwise provided in this Agreement. For example, with 21 total Directors, 11 votes are required for a decision or action by the Board; and with 13 total Directors, 7 votes would be required.

8.9 Meetings of the Board shall be conducted by a Chairperson, or in the Chairperson's absence by the Vice Chairperson. In the absence of both the Chairperson and the Vice Chairperson, meetings shall be conducted by the Public Director in attendance who represents the largest Member Agency with Board representation, by population.

9. **Bylaws.** The Board from time to time may adopt and amend bylaws for the conduct of its affairs, provided that they are consistent with this Agreement and are necessary and appropriate in order to carry out HEART's purpose.

10. **Officers and Employees.**

10.1 Every two (2) years, the Board shall elect a Chairperson and a Vice Chairperson from among its members.

10.2 The Board shall appoint a Secretary who may, but need not be, a member of the Board.

10.3 The Board shall select a Treasurer, from one of the Member Agencies or a certified public accountant, who shall be the depository and have custody of all the money and property of HEART from whatever source. The duties of HEART Treasurer shall include those set forth in the Act, including those set forth in Government Code §6505.5. If the Board designates a certified public accountant as the Treasurer, then the auditor of one of the Member Agencies

shall be designated as the auditor of HEART. The Treasurer may, if the Board so elects, also serve as the Financial Manager.

10.4 HEART shall designate its legal counsel.

11. **Withdrawal.** Any Member Agency may withdraw from this Agreement effective as of the end of any fiscal year, provided ninety (90) days prior written notice is provided to the other Member Agencies.. The rights and obligations of such withdrawing Member Agency shall terminate as of the last day of the fiscal year. The withdrawal of any Member Agency from this Agreement shall in no way affect the rights and obligations of the remaining parties. If a Member Agency withdraws from this Agreement, such Member Agency shall not be entitled to the return of any funds contributed to HEART nor to the return in cash or in kind of any materials or supplies until termination of this Agreement. If a withdrawing Member Agency has obligations under contracts or commitments, including bonds, that are independent from its obligations to HEART, such withdrawal from HEART shall have no impact on such independent obligations.

12. **Amendments.** Subject to all legal obligations of HEART, this Agreement may be amended by one or more supplemental agreements executed by all of the Member Agencies of HEART.

13. **Filings.** The Secretary shall cause to be filed all required notices with the California Secretary of State, in accordance with California Government Codes §6503.5 and §53051.

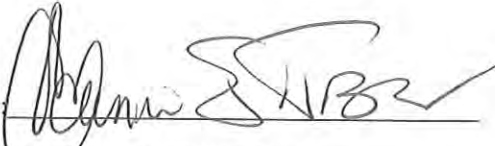

14. **Notices.**

14.1. All notices to the Member Agencies shall be deemed to have been given to the Member Agencies when mailed, postage prepaid by United States mail, or when hand delivered to the governing body of each Member Agency during usual business hours at the principal office, or to the person apparently in charge of that office.

14.2 All notices to HEART shall be deemed to have been given to HEART when mailed, postage prepaid by United States mail, or when hand delivered to each of the Chairperson, Vice

IN WITNESS WHEREOF, the parties hereto by their duly authorized representative, have affixed their signatures on this Agreement, effective as of the date first stated above.

Joint Exercise of Powers Agreement HEART-SV

This Agreement is entered into the 23 day of May 2023, pursuant to the provisions of the Joint Exercise of Powers Act (Title 1, Division 7, Article 1, §6500 et seq. of the California Government Code), is by and between the Housing Endowment and Trust of San Mateo County (“HEART”) and those Counties, Cities and Towns, School Districts, College Districts and any other Public Agency who become signatories to this Agreement, and relates to the joint exercise of powers among the signatories hereto, each of which, including HEART, is hereafter individually referred to as “Member Agency” and collectively referred to “Member Agencies”.

RECITALS

A. The Member Agencies have determined that there is an undersupply of affordable housing for “low income,” “median income” and “moderate income” residents of the State of California and wish to provide for the public good and promote the health, safety, education, and/or welfare of the citizens of the State by making dwelling units available to such residents within their geographic boundaries.

B. Each Member Agency has the individual power to plan, acquire, construct, manage, regulate, operate, finance and control the development, construction and operation of housing programs generated within its jurisdictional boundaries, as well as to create and issue development agreements for such activities.

C. The Member Agencies find it in their mutual economic interest to address housing needs of their residents on a regional level.

D. An adequate supply of housing will provide social and economic benefits to residents and taxpayers of the Member Agencies.

E. The Member Agencies desire to act in the public interest to lessen the burden on government by reducing the need for each Member Agency to act individually, and to provide charitable support for housing within their geographic boundaries.

F. California Government Code §6500 et seq. (“Joint Exercise of Powers Act” or “Act”) permits two or more public agencies to create joint powers authorities for the purposes cited herein, and permits the agencies to exercise jointly any power that the public agencies could exercise separately, and further grants certain additional powers to such joint powers authorities.

G. Local land-use decisions remain solely with the Member Agencies. Nothing in this Agreement deprives member agencies of their sovereign powers or transfers those powers to the joint powers authority.

NOW, THEREFORE BE IT RESOLVED that the Member Agencies do hereby establish the entity to be known as HEART-SV, to generate and/or maintain housing, disburse funding, and take other actions that will result in permanent additions to the housing stock within HEART-SV’s jurisdictional boundaries, and do hereby agree as follows:

1. **Purpose.**

1.1 The purpose of this Agreement is to establish an organization that shall be responsible for the joint acquisition, management, operation, fundraising, planning, adoption, financing, administration, review, monitoring and reporting of certain housing program activities in the region for the benefit of low, median and moderate income residents. By entering this joint powers authority, the Member Agencies earn economic benefits not realized when operating individually. Further, the establishment of this joint powers authority provides for the economic viability and coordination of housing program financing and facilities throughout HEART-SV’s jurisdictional boundaries.

1.2. HEART-SV shall be an entity which is legally independent from the parties to this Agreement, and shall be responsible for the administration of this Agreement.

1.3 The assets, rights, debts, liabilities, and obligations of HEART-SV shall not constitute assets, rights, debts, liabilities, or obligations of any of the Member Agencies. However, nothing in this Agreement shall prevent any of the Member Agencies from separately contracting for, or assuming responsibility for, specific debts, liabilities, or obligations of HEART-SV, provided that both the Board and the Member Agency approve such contract or assumption.

2. **Powers.**

2.1 HEART-SV is authorized, but is in no way required, to act in its own name on any or all of the following matters, as each Member Agency could act separately, and as it deems in the best interest of its Members, to the extent permitted by any and all applicable laws, codes, ordinances, resolutions and regulations:

- a. Facilitate and assist the Member Agencies and others in the housing sector to acquire, construct, rehabilitate, finance, refinance, operate, regulate and maintain low, median and moderate income and/or affordable housing programs, projects and facilities (“HEART-SV Housing Programs”).
- b. Facilitate the planning, study, and recommendation of proper and appropriate HEART-SV Housing Programs, and management practices. Research and study issues related to housing, including without limitation workforce, affordable and special needs housing.
- c. Educate the public, its Member Agencies, and other agencies and entities as to HEART-SV Housing Programs.
- d. Provide for or enter into agreements to provide for financial, construction, engineering, legal, audit, and any other professional services supporting any of the HEART-SV Housing Programs or related activities.
- e. Solicit, apply for, accept, and receive grants, gifts, donations, advances, and contributions.
- f. Hire agents and employees, including consultants and legal counsel.
- g. Sue and be sued in its own name.

- h. Incur and discharge debts, liabilities, and obligations which may include but shall not be limited to being in the form of secured bonds, revenue bonds or other forms of secured or unsecured debt.
 - i. Issue bonds or notes and associated covenants, for designated purposes, subject to the provisions and limitations of the California Government Code.
 - j. Acquire or protect any necessary security or leasehold interests involved in loans, bonds, notes, or other financing methods implemented to carry out the purposes of this Agreement.
 - k. Acquire, hold, lease, improve, construct, rehabilitate, maintain, pledge, assign, mortgage, operate and dispose of real and personal property as may be necessary and appropriate in connection with the creation, construction, financing, development, and maintenance of certain workforce and affordable housing, and the programmatic needs of HEART-SV.
 - l. Issue and receive loans.
 - m. Acquire such insurance protection as it deems necessary.
 - n. Adopt, as authorized by California law, resolutions necessary to carry out the purposes of this Agreement
 - o. Utilize and establish advisory committees or subcommittees whenever necessary.
 - p. Form wholly owned and controlled affiliate entities to accomplish any of its purposes.
 - p. Adopt bylaws and such other rules and procedures as may be deemed necessary.
 - q. Convey real and/or personal property interests, and/or funds.
 - r. Other acts necessary to carry out the actions identified above.
- 2.2 HEART-SV shall undertake, facilitate and encourage the acquisition, creation, construction, development, and maintenance of certain workforce, affordable and other public benefit housing, programs, projects and facilities.

3. **Term and Termination**

3.1 This Agreement shall be effective upon its execution by HEART and at least one Member Agency.

3.2 This Agreement shall continue at least until May 22, 2033, and thereafter shall continue until terminated or dissolved pursuant to Section 3.3 of this Agreement. However, in no event shall the Member Agencies vote to terminate or dissolve HEART-SV if its termination or dissolution would conflict with or violate the terms or conditions of any bonds, financial instruments, or related documentation by or on behalf of HEART-SV, including, without limitation, indentures, resolutions, and letter of credit agreements.

3.3. This Agreement may be terminated by consent of all Member Agencies, and upon full and complete liquidation of all liabilities, including, but not limited to any bonds. Upon the date of termination (hereinafter "Termination Date"), payment of any and all obligations and division of any and all assets of HEART-SV shall be conducted subject to the then-applicable requirements of the law, pursuant to the following:

a. In the event of termination of HEART-SV, where there is a successor public agency that will conduct all of the activities of HEART-SV and will assume all of its obligations, any and all HEART-SV assets and liabilities remaining upon termination of HEART-SV shall be transferred to the successor public agency.

b. If there is no successor public agency that would conduct HEART-SV's activities, all assets and liabilities shall be apportioned to each Member Agency in proportion to the contribution of each Member Agency's total contribution during the term of this Agreement. Notwithstanding the above, any real property assets shall be distributed to the Member Agency in which such real asset is located.

c. If there is a successor public agency that would conduct some of HEART-SV's activities, then the Board shall allocate HEART-SV's assets and liabilities between the successor public agency and the Member Agencies each in proportion to its total contribution during the term of this Agreement. Notwithstanding the above, any real property assets shall be distributed to the Member Agency in which such real asset was located.

d. In the event HEART-SV is terminated under circumstances falling within (b) or (c) above, all decisions of the Board with regard to determinations of amounts to be transferred under the requirements of this Agreement to the Member Agencies or any successor shall be final.

f. By unanimous agreement of all then current Member Agencies, said current Member Agencies may dispose of, divide, distribute, or return assets on a basis different from that established in this Section 3, but only in accordance with the terms of any financing related to such assets and if such financing was exempt from state and federal income taxation, only with an opinion of bond counsel that such disposition will not adversely affect such tax exemption.

g. The assets distributed pursuant to this Section 3 to Member Agencies will be used for public purposes and will not inure to the benefit of any private person.

4. **Governance**

4.1 HEART-SV is governed and administered by a Board of Directors (“Board”) that shall exercise all powers and authority on behalf of HEART-SV. The Board shall consist of no more than 31 voting members (hereinafter “Directors”), as follows:

21 No more than twenty-one (21) voting Public Directors and At Large Directors of the HEART Board of Directors (“HEART Directors”).

10 No more than ten (10) Member Agency representatives or individuals who are not representatives of a Member Agency, appointed by a majority vote of the Directors present at the meeting. These Directors shall be referred to as the “Regional Directors”.

15 The sum of all Directors representing a Public Agency, whether a HEART Director or a Regional Director, shall at all times be at least one more than the number of Directors from a non-public agency.

The number of HEART-SV Directors shall at all times be at least one more than the number of Regional Directors.

Additional ex-officio, non-voting, Affiliate Directors may be established by majority Board action, and such Affiliate Directors shall be referred to as “Affiliates”. Regular attendance by each Director and Affiliate shall be encouraged by the HEART-SV Board and the Member Agencies.

4.2. Directors shall hold office as follows:

a. The HEART Directors' terms shall be the same as their HEART Board terms, and shall be served concurrently with their HEART Board term. If a HEART Director is no longer serving on the HEART Board, they shall immediately be removed from the Board.

b. The Regional Directors' terms shall be three (3) calendar years, running from March of the first year through February of the third year.

c. There shall be no limit to the number of terms that a Director may serve.

4.3. Directors shall receive no compensation from HEART-SV for serving on the Board. HEART-SV may reimburse Directors for reasonable expenses necessarily incurred on the Board's behalf, with prior approval of the Board.

4.4 The Board shall establish an Executive Committee to carry out any and all functions of the Board that the Board may delegate to said Executive Committee. Executive Committee members shall be Board members, but the exact composition of the Executive Committee shall be as determined by the Board.

4.5 The Board may establish an Advisory Committees to advise the Board or the Executive Committee. Advisory Committee members need not be Board members. The composition and role of an Advisory Committee shall be as determined by the Board.

5. **Budgets and Financing.**

5.1 The Board annually shall adopt, by a date HEART-SV designates by resolution, an operating budget for HEART-SV setting forth anticipated expenses, financing sources and proposed service levels necessary to carry out the purposes of this Agreement. The budget for HEART-SV shall distinguish between Administrative costs (i.e., the cost of operating HEART-SV) and Program costs (i.e., the financing of the programs funded or sponsored by HEART-SV). HEART-SV shall establish its fiscal year by resolution. Contributions from private persons or entities and not-for-profit entities, whether or not their interests are represented by any Directors, are acceptable so long as they do not cause a violation of any applicable conflict of interest statutes, rules or regulations.

5.2 The particular Programs and Program budget, funded, sponsored or operated by HEART-SV, as well as the level of, and mechanisms for, the involvement of HEART-SV and each Member Agency, in such Programs and Program budget, shall be determined and approved by the Board. A Member Agency's individual contribution, involvement and role in any particular Program or the Program budget shall be as may be mutually agreed between the Member Agency and HEART-SV. By way of example only, said contributions, involvement or role may include: cash contributions, provision of services or staffing, use or transfer of title to real or personal property, pledges, guarantees or whatever other instruments or involvement the Member Agency and HEART-SV may agree to. Contributions of all kinds to the Program budget from private persons or entities and not-for-profit entities, whether or not their interests are represented by any Directors, are encouraged, so long as they do not cause a violation of any applicable conflict of interest statutes, rules or regulations.

6. **Financial Management**

6.1. HEART-SV may appoint a financial manager to manage, hold, invest and distribute the funds of HEART-SV ("Financial Manager"). The duties of the Financial Manager shall include those responsibilities as deemed necessary or appropriate by the Board. There shall be a strict accountability of all funds and report of all receipts and disbursements.

6.2. The public office or officers or person or persons who may be designated to have charge of, handle, or have access to any property of HEART-SV, shall file an official bond in an amount to be fixed by the Board.

7. **Staffing.**

7.1. It is understood that HEART-SV will require the support of administrative staff. When deemed necessary, the Board may employ or use a managing agent ("Managing Agent"), to implement the objectives of HEART-SV. The Managing Agent may consist of a separate entity or an executive director. The Board shall have responsibility for all employment decisions regarding said Managing Agent, who shall serve at the pleasure of the Board.

7.2. The Managing Agent may be delegated authority as deemed necessary or appropriate by the Board.

7.3. The Managing Agent shall be responsible for the day-to-day administration of HEART-SV under the direction of the Board. The Managing Agent shall have the authority to employ or use administrative staff consistent with the goals, needs and approved budget of HEART-SV.

7.4. If there is a Managing Agent that is a separate entity, that Managing Agent shall designate who on its staff shall be the Executive Director of HEART-SV, but the acceptance of such choice shall be subject to the approval of the Board.

8. **Meetings**

8.1. The Board shall schedule by Resolution at least two (2) regular meetings each Fiscal Year.

8.2. Special meetings of the Board may be called by the Chairperson and otherwise as in accordance with provisions of California Government Code §54956 and/or HEART-SV's bylaws.

8.3. All meetings of the Board shall be held subject to the provisions of California Government Code §54950 et seq. (the "Brown Act") and other applicable laws of the State of California.

8.4. All meetings of the Board must be held within the County of San Mateo at a location determined by the Chairperson, except that the Board may hold a special meeting outside the County of San Mateo upon an affirmative vote in accordance with Section 8.8 of this Agreement.

8.5. The Secretary shall cause the taking and keeping of minutes of all Board meetings. Promptly after each meeting, the Secretary shall cause a copy of the minutes to be forwarded to each Director, either electronically or in paper form.

8.6. A majority of the current and appointed Directors shall constitute a quorum for the transaction of business of the Board, except that Directors constituting less than a quorum may adjourn any meeting.

8.7 Each Director is entitled to cast one vote on any matter presented to the Board for a vote.

8.8 All decisions and actions shall be by a majority of the total number of Directors, regardless of the number of Directors and/or Affiliate Directors present, unless otherwise provided in this Agreement. For example, with 21 total current Directors, 11 votes are required for a decision or action by the Board; and with 13 total current Directors, 7 votes would be required.

8.9 Meetings of the Board shall be conducted by a Chairperson, or in the Chairperson's absence by the Vice Chairperson. In the absence of both the Chairperson and the Vice Chairperson, meetings shall be conducted by the HEART Director in attendance who represents the largest HEART Member Agency with Board representation, by population.

9. **Bylaws.** The Board from time to time may adopt and amend bylaws for the conduct of its affairs, provided that they are consistent with this Agreement and are necessary and appropriate in order to carry out HEART-SV's purpose.

10. **Officers and Employees.**

10.1 Every two (2) years, the Board shall elect a Chairperson and a Vice Chairperson from among its members.

10.2 The Board shall appoint a Secretary who may, but need not be, a member of the Board.

10.3 The Board shall select a Treasurer, from one of the Member Agencies or a certified public accountant, who shall be the depository and have custody of all the money and property of HEART-SV from whatever source. The duties of HEART-SV Treasurer shall include those set forth in the Act, including those set forth in Government Code §6505.5. The Treasurer may, if the Board so elects, also serve as the Financial Manager.

10.4 HEART-SV shall designate its legal counsel.

11. **New Members.** New Member Agencies may be added to HEART-SV by a majority vote of the Directors present at the meeting. Membership is effective immediately upon execution of this Agreement by the new Member.

12. **Withdrawal.** Any Member Agency may withdraw from this Agreement effective as of the end of any fiscal year, provided ninety (90) days prior written notice is provided to the other Member Agencies. The rights and obligations of such withdrawing Member Agency shall terminate as of the last day of the fiscal year. The withdrawal of any Member Agency from this Agreement shall in no way affect the rights and obligations of the remaining parties. If a Member Agency withdraws from this Agreement, such Member Agency shall not be entitled to the return of any funds contributed to HEART-SV nor to the return in cash or in kind of any materials or supplies until termination of this Agreement. If a withdrawing Member Agency has obligations under contracts or commitments, including bonds, that are independent from its obligations to HEART-SV, such withdrawal from HEART-SV shall have no impact on such independent obligations.

13. **Amendments.** Except as provided in Section 11, as needed to admit a new Member Agency, subject to all legal obligations of HEART-SV, this Agreement may be amended by one or more supplemental agreements executed by all of the Member Agencies of HEART-SV.

14. **Filings.** The Secretary shall cause to be filed all required notices with the California Secretary of State, in accordance with California Government Codes §6503.5 and §53051.

15. **Notices.**

15.1. All notices to the Member Agencies shall be deemed to have been given to the Member Agencies when mailed, postage prepaid by United States mail, or when hand delivered to the governing body of each Member Agency during usual business hours at the principal office, or to the person apparently in charge of that office.

15.2 All notices to HEART-SV shall be deemed to have been given to HEART-SV when mailed, postage prepaid by United States mail, or when hand delivered to each of the

Chairperson, Vice Chairperson, and any Executive Director of HEART-SV during usual business hours at the principal office, or to the person apparently in charge of that office.

16. **Assignments; Other Agreements.** This Agreement shall be binding upon and shall inure to the benefit of the successors of any Member Agency. No Member Agency may assign any right or obligation hereunder without the written consent of all other Member Agencies. Participation in HEART-SV is not intended to preclude Member Agencies from entering into similar agreements with other jurisdictions.

17. **Severability.** If any provision of this Agreement or its application to any person or circumstances is held invalid or illegal by a final judgment of a court of law in the State of California, the remainder of this Agreement and the application of the provision to other persons or circumstances shall not be affected.

18. **Headings.** All section headings contained in this Agreement are for convenience and reference only. They are not intended to define or limit the scope of any provision of this Agreement.

19. **Confirmation of Jurisdictional Authority.** By signing this Agreement, the Member Agencies retain all jurisdictional authority granted to them by the State and/or their respective Charters. The powers and/or authority granted to HEART-SV pursuant to this Agreement shall in no way serve to limit or restrict an individual Member Agency's jurisdictional authority.

IN WITNESS WHEREOF, the parties hereto by their duly authorized representative, have affixed their signatures on this Agreement, effective as of the date first stated above.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
of the Housing Endowment and Regional Trust
of San Mateo County
San Mateo, California

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of the Housing Endowment and Regional Trust of San Mateo County, California (HEART), as of and for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, which collectively comprise HEART's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of HEART, as of June 30, 2023 and 2022, and the respective changes in financial position thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HEART and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

HEART's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HEART's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HEART's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HEART's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 5-9 and 33-34 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

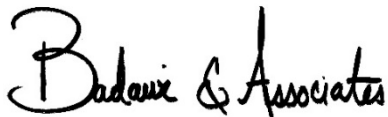

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise HEART's basic financial statements. The status of funds schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The status of funds schedule is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the status of funds schedule is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 4, 2024 on our consideration of HEART's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HEART's internal control over financial reporting and compliance.

Housing Endowment and Regional Trust of San Mateo County Management's Discussion and Analysis

As management of the Housing Endowment and Regional Trust of San Mateo County (HEART), we offer our readers of HEART's financial statements this narrative overview and analysis of its financial activities for the fiscal year ended June 30, 2023. We encourage readers to consider the information presented here in conjunction with the basic financial statements and related notes.

Financial Highlights

- HEART's total net position as of June 30, 2023 amounted to \$17,146,533, an increase of \$1,716,882 from the prior year. This was the result of receiving \$1.7 million in grant to its Trust Fund to assist in the development of affordable housing.
- Consistent with prior years, HEART's net position primarily made up of \$11.1 million in outstanding interest and loan receivables from affordable housing developers.
- Cash and cash equivalents are \$10,130,466. This amount is largely comprised of \$4,620,000 in borrowed funds from the County of San Mateo Measure-K loan, \$5,095,506 in HEART Trust Funds, and \$414,960 in restricted funds. \$9.1 million in cash and cash equivalents can only be used to develop affordable housing.
- During the fiscal year HEART made two preliminary loans commitments totaling \$6 million dollars to support the development of affordable housing, but these funds will not be disbursed until the next fiscal year. During the year, HEART received one loan repayment in the amount of \$678,726 from Nugent Square Partners.
- Total operating and program revenue for the year amounted to \$2,064,968 comprised of \$1.7 million in grants restricted for affordable housing, \$236,286 in contributions from member agencies and the balance of \$119,082 from loan origination fees, interest received, and donor contributions.

Overview of the Financial Statements

HEART's basic financial statements consist of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The *government-wide financial statements* are designed to provide the reader with a broad overview of HEART's finances, in a manner similar to a private-sector business.

The *statements of net positions* present information on HEART's assets and liabilities, with the difference reported as net positions. Over time, increases or decreases in net positions may serve as a useful indicator of whether the financial position of HEART is improving or deteriorating.

The *statements of activities* report how HEART's net positions changed during the most recent two fiscal years. Changes in net positions are reported as soon as underlying events occur, regardless of the timing of the related cash flows. Thus, some revenues and expenses reported in this statement may result in cash flows only in future periods. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The government-wide financial statements can be found on pages 13 and 14 of this report.

Housing Endowment and Regional Trust of San Mateo County Management's Discussion and Analysis

Fund Financial Statements

A fund is a group of related accounts that is used to control resources that have been segregated for specific activities or objectives. HEART uses fund accounting to ensure compliance with various legal requirements, such as the annually adopted budget. Accordingly, a budgetary comparison schedule has been included in the supplementary information section of the financial statements to demonstrate compliance with budget. Fund financial statements report essentially the same information as the government-wide financial statements. However, unlike the government-wide financial statements, fund financial statements focus on near-term inflows and outflows of expendable resources, as well as on balances of expendable resources available at the end of the fiscal year.

As required by accounting principles, the financial transactions of HEART are accounted for in a Special Revenue Fund, a governmental fund, as monies received by it are legally restricted to specific use. Monies allocated and disbursed to HEART can be expended only for purposes authorized under the Agreement.

The fund financial statements can be found on pages 17 through 18 of this report.

Notes to the Financial Statements

The *notes to the financial statements* on pages 21 through 30 provide additional information that is essential to the full understanding of the data provided in the government-wide and fund financial statements.

Other information

This report also presents certain required supplementary information concerning compliance with HEART's annual budget. This information, as well as associated notes, immediately follows the basic financial statements and the accompanying notes.

- HEART's total assets are \$21,828,960, an increase of \$1,731,370. This is an increase of 9% compared to the prior year. A \$1.7 million grant from the City of East Palo Alto is largely responsible for the net \$1.7 million asset increase from the previous year.
- Cash and cash equivalents increased from \$8 million to approximately \$10.1 million. The increase in cash and cash equivalents is largely to the \$1.7 million grant from the City of East Palo Alto and the repayment of a \$678,726 loan from Nugent Square Partners.
- Loans outstanding decrease \$703,084 due to the Nugent Square Partners loan repayment and a few other small loan repayments from other borrowers.
- Total liabilities for the current year are \$4,682,390. This represents a small increase of \$14,488 from the previous year. HEART's total Measure-K loan from the county stands at \$4,620,000. The remaining \$62,390 in liabilities includes \$57,792 in payroll liabilities and payroll tax payments due and \$4,598 in accounts payable to consultants and miscellaneous vendors.

**Housing Endowment and Regional Trust of San Mateo County
Management's Discussion and Analysis**

- Net position of governmental activities is \$17,146,533, an increase of \$1,716,882, or 11% more compared to the previous fiscal year. The increase in net position was due to a \$1.7 million grant from the City of East Palo Alto that is slated for a loan to for the development of Colibri Commons, and affordable housing development in the City of East Palo Alto.

Net positions – ending	<u>\$ 17,146,533</u>	<u>\$ 15,429,651</u>

- Total operating and program revenue during the current period was \$2,064,968, lower than the prior year's amount of \$4,424,535. This reflects a decrease in grants received to support the development of affordable housing. Grants received decreased from \$4 million to \$1.7 million.
- Excluding the \$1.7 grant from the City of East Palo Alto, operating and program revenue was \$364,968. This amount is comprised of \$236,286 from Member Agency contributions and \$128,682 from other donations and program service fees.
- Total expenses incurred during the current period amounted to \$764,259, an increase of \$169,682, or 28.5% more, than the previous year. The vast majority (86%) of the increase in expenses is due to the addition of more staff at HEART to meet the increased program work load.

Budgetary Analysis

	<u>Budgeted Amount Final</u>	<u>Actual Amount – Budgetary Basis</u>	<u>Variance -Positive (Negative)</u>
Total Revenues and Other Financing Sources	\$ 798,848	\$ 2,279,140	\$ 1,658,882

Net Change in Fund Balance	<u>\$ -</u>	<u>\$ 1,514,259</u>	<u>\$ 1,514,881</u>

Actual revenues were higher than budgeted by \$1,658,882. While HEART's individual revenue sources fluctuated and differed from the budgeted amounts, the \$1.7 million grant awarded to HEART for affordable housing development was responsible for generating the large positive variance. Operating expenses were slightly below the amount budgeted by \$34,589. Expenses were lower largely due the lower utilization of outside contract and consulting services.

Beyond FY 2023

In 2024 HEART is planning to continue making loans to affordable housing developers with its Trust Fund. Currently, it is planning to make \$6 million in loans to two affordable housing developments. Additional funds will be available to make more loans throughout 2024. These loans will help HEART achieve its mission of creating more affordable housing units, while increasing its revenue from developer loan origination fees.

Over the next year HEART will also expend significant resources creating new programs to create and preserve affordable housing by financing the acquisition of privately owned, existing apartment buildings and by providing staffing help to cities to assist them with carrying out their affordable housing programs. HEART will also explore the possibility of developing a loan program to help mobile homeowners replace their units with new ones.

Due to continuing high interest rates, it is likely HEART's first-time homebuyer down payment loan program, "Opening Doors," will continue to see low demand for its loans. HEART will continue to present community workshops for first time homebuyers and work with realtors and cities to help buyers prepare for a time when homebuying becomes feasible again.

**HOUSING ENDOWMENT AND REGIONAL TRUST OF SAN MATEO COUNTY
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Reporting Entity

On February 26, 2002, the County of San Mateo (County) approved establishment of a housing trust fund for the County and set aside \$3 Million from reserves to be used as the initial capitalization for the fund. A Joint Powers Agreement (Agreement) between the County and certain cities and towns within the County (Member Agencies) established the Housing Endowment and Regional Trust (HEART) in 2003 under the Joint Exercise of Powers Act per California Government Code Sections 6500 et seq. The Agreement was in effect at least until March 30, 2013 and can be terminated thereafter according to the terms specified in the Agreement. HEART's general purpose is to support and generate funding that will result in permanent additions to workforce housing needs in San Mateo County. HEART obtained a determination from the Internal Revenue Service of its tax-exempt status and classification as a public charity under Section 501(c)(3) of the Internal Revenue Code (Code), effective January 8, 2008. Contributions to HEART are tax deductible under Section 170 of the Code.

HEART is an entity separate from each participating entity and is under the direction of a Board of Directors (Board). The Board is comprised of 11 elected officials from the County and Member Agencies and 10 at-large members who are not publicly elected officials. The Board appoints a managing agent who is responsible for the day-to-day administration of HEART under its direction.

The County also made an initial allocation of \$75,000 for administrative costs in addition to the \$3 Million initial capitalization. HEART received \$2.075 Million in fiscal year 2004 and the remaining \$1 Million was paid in equal installments from fiscal years 2005 through 2009. The Member Agencies support HEART by contributing annual dues. The dues were assessed annually through fiscal year 2009 based upon Member Agency's population information used by City/County Association of Governments of San Mateo County (C/CAG). The dues remained fixed from fiscal years 2009 through 2011. The dues were reduced by 10% annually in FY 2012, and remained fixed in FY 2014 through FY 2023 at the lower rate.

Monies allocated and disbursed to HEART can be expended only for purposes authorized under the Agreement.

(b) Measurement Focus, Basis of accounting, and Financial Statement Presentation

Under the new financial reporting model, governments are required to present government-wide and fund financial statements along with reconciliation from the fund financial statements to the government-wide statements. The government-wide financial statements are reported on a basis of accounting similar to a commercial enterprise, which is different from the traditional basis of accounting used for the fund financial statements.

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred regardless of when the related cash flows take place. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

(b) Measurement Focus, Basis of accounting, and Financial Statement Presentation (continued)

Governmental funds are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Under this method, revenues are recognized as soon as they are both measurable and available. Revenues are considered *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Revenues from reimbursement type programs are considered to be *available* when they are collectible within two months of the end of the current fiscal period in order to properly match revenues with related expenditures. Expenditures are recognized in the accounting period in which the liability is incurred.

Cash and Cash Equivalents: Cash and cash equivalents include all monies held in banks, highly liquid investments with maturities of less than three months and cash held in the San Mateo County Investment Pool (County Pool). A portion of the cash balance is pooled with other funds of the County to earn a higher rate of return than could be earned by investing the funds individually. HEART considers its equity in the County's investment pool to be cash equivalents.

Receivables: All receivables are reported at their gross value and, where appropriate, are reduced by the estimated portion that is expected to be uncollectible.

Restricted Assets: Amounts maintained in separate bank accounts are classified as restricted assets on the balance sheet because uses of the funds are externally restricted by the lending agencies to maintain a minimum balance in the Pledge Account for financing eligible housing developers and homeowners.

Long-term Obligations: Long-term debts are reported as liabilities in the government-wide financial statements. In the fund financial statements, governmental fund types report the face amount of the debt issued as other financing sources and interest and principal payments made in the current period are reported as debt service expenditures.

(c) Use of Estimates

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results based on subsequent events could differ from those estimates.

(d) Budgetary Information

HEART adopts an annual budget that can be amended throughout the year. The basis used to prepare the budget is the same as the basis used to reflect actual revenues and expenditures except that unrealized gains and losses are not included in the budget. See Note 1 of the notes to the required supplementary information for detail.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(e) New Pronouncements

In fiscal year 2022-23, HEART adopted new accounting standards in order to conform to the following Governmental Accounting Standards Board Statements:

- *GASB Statement No. 91, Conduit Debt Obligations* - The primary objectives of this Statement are to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. The requirements of this statement did not apply to the HEART for the current fiscal year.
- *GASB Statement 94, Public-Private and Public-Public Partnerships and Availability Payment Arrangements* - The primary objective of this Statement is to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements (PPPs). As used in this Statement, a PPP in an arrangement in which a government (the transferor) contracts with an operator (a governmental or nongovernmental entity) to provide public services by conveying control of the right to operate or use a nonfinancial asset, such as infrastructure or other capital asset (the underlying PPP asset), for a period of time in an exchange or exchange-like transaction. The requirements of this statement did not apply to the HEART for the current fiscal year.
- *GASB Statement No. 96, Subscription-based Information Technology Arrangements* - This Statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments). This Statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset - an intangible asset - and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. The requirements of this Statement did not apply to the HEART for the current fiscal year.

2. CASH AND INVESTMENTS

(a) Cash and Investments

As of June 30, 2023 and 2022, HEART's cash and investments consisted of:

	FY 22-23	FY 21-22
Cash and investments:		
Cash on hand	\$ -	\$ 3,090
Wells Fargo Checking and Savings Accounts	1,833,816	47,343
Meriwest Committed Account	88,145	238,867

Meriwest Restricted Account	414,960	411,932
Total cash and investments	\$ 10,545,426	\$ 8,465,540

Cash Deposits

The carrying amount of HEART's cash deposits were a total of \$1,921,961. Bank balances before reconciling items were a positive amount of \$1,921,961 as of June 30, 2023. The carrying amount of HEART's cash deposits were a total of \$286,210. Bank balances before reconciling items were a positive amount of \$292,991 as of June 30, 2022.

The California Government Code requires California banks and savings and loan associations to secure HEART's cash deposits by pledging securities as collateral. This Code states that collateral pledged in this manner shall have the effect of perfecting a security interest in such collateral superior to those of a general creditor. Thus, collateral for cash deposits is considered to be held in HEART's name. The fair value of pledged securities must equal at least 110% of HEART's cash deposits. California law also allows institutions to secure deposits by pledging first trust deed mortgage notes having a value of 150% of the total cash deposits. HEART's cash deposit was fully insured up to \$250,000 by the Federal Deposit Insurance Corporation. The remaining amount was not collateralized.

San Mateo County Investment Pool

Investment in the County Pool is reported at fair value. The change in fair value for the year is recorded as unrealized gain or loss and reported as part of investment earnings. Fair value is based on information provided by the County Treasurer. The fair value in HEART's investment in the County Pool as of June 30, 2023 and 2022 was \$8,208,505 and \$7,764,308 respectively. The fair value factor of 0.9715 and 0.9688 was used to calculate the fair value of the investments in the County Pool for fiscal year 2023 and fiscal year 2022.

HEART does not have a formally adopted investment policy.

6. REVENUES

(a) Operating Grants and Contributions

Operating grants and contributions consist of the following:

Member Agencies Dues

Member Agencies are billed annually for dues to cover administrative expenses.

Donors

Other operating grants and contributions include contributions from private donors.

(b) Charges for Services

Charges for services are loan processing fees collected from home buyers upon close of escrow on each home loan.

(c) Investment Earnings

Investment earnings reported in the government fund *statements of revenues, expenditures, and changes in fund balance* comprise of quarterly interest received from the County Treasurer on investments made by HEART in the County Pool and interest collected from developers on cumulative interest receivable accrued. Interest is recorded in the year it is earned and is available to pay current liabilities.

Investment earnings reported in the government-wide *statements of activities* includes earnings from the County investments noted above plus interest earned in the current year on loans made to developers.

7. FUND BALANCES / NET POSITION

As prescribed by GASB Statement No. 54, governmental funds report fund balance in classifications based primarily on the extent to which HEART is bound to honor constraints on the specific purpose for which amount in the fund can be spent. As of June 30, 2023 and 2022, fund balance for the governmental fund consists of the following classifications respectively:

- (a) *Nonspendable Fund Balance* - includes amounts that cannot be spent because they are not in spendable form, such as prepaid items and loans receivable.
- (b) *Restricted Fund Balance* - includes amounts that can be spent only for specific purposes stipulated by external resources providers, constitutionally or through enabling legislation. Restrictions may effectively be changed or lifted only with the consent of resource providers.
- (c) *Unassigned Fund Balance* - is the residual classification for the government's general fund and includes all spendable amounts not contained in the other classifications.

In circumstances when an expenditure is made for a purpose for which amounts are available in multiple fund balance classifications, fund balance is depleted in the order of restricted and then unassigned.

NOTES TO THE REQUIRED SUPPLEMENTARY INFORMATION
JUNE 30, 2023 and 2022

1. BUDGETS, BUDGETARY PROCESS, AND ENCUMBRANCES

HEART uses two funding sources to manage operations: Administrative Funds and Program Funds. The Board adopts an annual operating budget, which can be amended by the Board throughout the year. Actual revenues and expenditures presented reflect activity in both funds during the year. As discussed in Note 1(d) of the notes to the basic financial statements, the basis used to prepare the budget is the same as the basis used to reflect actual revenues and expenditures, except for unrealized gains and losses under GASB 31. The financial statements record unrealized gains and losses as required by Generally Accepted Accounting Principles (GAAP). Adjustments were made to certain budgeted accounts to reflect changes made in financial statement presentation.

HEART uses an encumbrance system to assist in controlling expenditures. Purchase orders, contracts, and other commitments for the expenditures of monies are recorded under this system in order to reserve applicable appropriations. Any encumbrances outstanding at year-end are recorded as reservations of fund balance as they do not constitute expenditures or liabilities.

The actual net change in fund balance under the budgetary basis on page 33 is reconciled to the change in fund balance under GAAP on page 18 as follows:

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Independent Auditor's Report

To the Board of Directors
of the Housing Endowment and Regional Trust
of San Mateo County
San Mateo, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and major fund of the Housing Endowment and Regional Trust of San Mateo County (HEART) as of and for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, which collectively comprise HEART's basic financial statements, and have issued our report thereon dated March 4, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered HEART's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of HEART's internal control. Accordingly, we do not express an opinion on the effectiveness of HEART's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

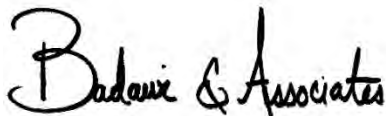

To the Board of Directors
of the Housing Endowment and Regional Trust
of San Mateo County

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether HEART's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
of the Housing Endowment and Regional Trust
of San Mateo County
San Mateo, California

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of the Housing Endowment and Regional Trust of San Mateo County, California (HEART), as of and for the years ended June 30, 2024 and 2023, and the related notes to the financial statements, which collectively comprise HEART's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of HEART, as of June 30, 2024 and 2023, and the respective changes in financial position thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HEART and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

HEART's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HEART's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HEART's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HEART's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

of San Mateo County

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 5-9 and 33-34 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

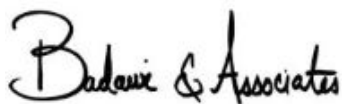

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise HEART's basic financial statements. The status of funds schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The status of funds schedule is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the status of funds schedule is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 31, 2025 on our consideration of HEART's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HEART's internal control over financial reporting and compliance.

Housing Endowment and Regional Trust of San Mateo County Management's Discussion and Analysis

As management of the Housing Endowment and Regional Trust of San Mateo County (HEART), we offer our readers of HEART's financial statements this narrative overview and analysis of its financial activities for the fiscal year ended June 30, 2024. We encourage readers to consider the information presented here in conjunction with the basic financial statements and related notes.

Financial Highlights

- HEART's total net position as of June 30, 2023 amounted to \$19,627,530, an increase of \$2,480,997 from the prior year. This increase was the result of receiving \$1.8 million in grants to assist in the development of affordable housing, an increase of \$354,000 in accrued interest, and the balance from operations.
- Consistent with prior years, HEART's net position primarily made up of \$14.5 million in outstanding interest and loan receivables from affordable housing developers.
- Cash and cash equivalents are \$9.68 million. This amount is largely comprised of \$2,000,000 in borrowed funds from the County of San Mateo Measure-K loan, \$7,258,787 in HEART Trust Funds, and \$421,359 in restricted funds. Of the total \$9.68 million in cash and cash equivalents, \$8.5 million can only be used to develop or preserve affordable housing.
- During the fiscal year HEART made two loans totaling \$6 million dollars to support the development of affordable housing. During the year, HEART received one loan repayment in the amount of \$3 million.
- Total operating and program revenue for the year amounted to \$2,580,071 comprised of \$2 million in grants restricted for affordable housing, \$236,363 in contributions from member agencies and the balance of \$262,225 from loan origination fees and charges to cities for HEART's City staffing program.

Overview of the Financial Statements

HEART's basic financial statements consist of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The *government-wide financial statements* are designed to provide the reader with a broad overview of HEART's finances, in a manner similar to a private-sector business.

The *statements of net positions* present information on HEART's assets and liabilities, with the difference reported as net positions. Over time, increases or decreases in net positions may serve as a useful indicator of whether the financial position of HEART is improving or deteriorating.

The *statements of activities* report how HEART's net positions changed during the most recent two fiscal years. Changes in net positions are reported as soon as underlying events occur, regardless of the timing of the related cash flows. Thus, some revenues and expenses reported in this statement may result in cash flows only in future periods. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The government-wide financial statements can be found on pages 13 and 14 of this report.

Housing Endowment and Regional Trust of San Mateo County Management's Discussion and Analysis

Fund Financial Statements

A fund is a group of related accounts that is used to control resources that have been segregated for specific activities or objectives. HEART uses fund accounting to ensure compliance with various legal requirements, such as the annually adopted budget. Accordingly, a budgetary comparison schedule has been included in the supplementary information section of the financial statements to demonstrate compliance with budget. Fund financial statements report essentially the same information as the government-wide financial statements. However, unlike the government-wide financial statements, fund financial statements focus on near-term inflows and outflows of expendable resources, as well as on balances of expendable resources available at the end of the fiscal year.

As required by accounting principles, the financial transactions of HEART are accounted for in a Special Revenue Fund, a governmental fund, as monies received by it are legally restricted to specific use. Monies allocated and disbursed to HEART can be expended only for purposes authorized under the Agreement.

The fund financial statements can be found on pages 17 through 18 of this report.

Notes to the Financial Statements

The *notes to the financial statements* on pages 21 through 30 provide additional information that is essential to the full understanding of the data provided in the government-wide and fund financial statements.

Other information

This report also presents certain required supplementary information concerning compliance with HEART's annual budget. This information, as well as associated notes, immediately follows the basic financial statements and the accompanying notes.

- HEART's total assets are \$24,706,440, an increase of \$2,877,517 from the previous year. This is an increase of 11.6% compared to the prior year. A \$1.7 million grant from the California Department of Housing and Community Development and a \$1.3 million grant from the City of Daly City are largely responsible for the net \$2.9 million asset increase from the previous year.
- Cash and cash equivalents decreased from \$10.1 million to approximately \$9.7 million. HEART experienced large cash inflow and outflows during the fiscal year. This included receiving \$3 million in grants, making \$6 million in loans, receiving \$3 million in loan repayments and drawing down a \$380,000 loan from the County of San Mateo. The net effect of these flows and total operations was a net decrease of \$450,300 in cash and cash equivalents.
- Loans outstanding increased by a net amount of approximately \$3 million due to a new loan to CRP The Ridge at Ralston for a development project in the City of Belmont.
- Total liabilities for the current year are \$5,078,910. This represents an increase of \$458,920 from the previous year. The increase is largely due to drawing \$380,000 from HEART's Measure-K loan from the County of San Mateo, bringing the total loan from the County to \$5 million. The remaining

\$78,910 in liabilities includes \$65,923 in payroll liabilities for accrued vacation and payroll taxes, and \$12,987 in accounts payable to consultants and miscellaneous vendors.

- Net position of governmental activities is \$17,146,533, an increase of \$1,716,882, or 11% more compared to the previous fiscal year. The increase in net position was due to a \$1.7 million grant from the California Department of Housing and Community Development for the development of Colibri Commons, and affordable housing development in the City of East Palo Alto.

Net positions – ending	<u>\$ 19,627,530</u>	<u>\$ 17,146,533</u>

- Total operating and program revenue during the current period was \$2,580,071, higher than the prior year's amount of \$2,064,968. This is an increase of 25% or \$519,1033. The increase is due to an increase of \$257,601 in contributions received and an increase of \$257,425 in charges for services. Grants of \$1.7 million the previous year and a similar amount the current year for the Colibri Commons development in East Palo Alto round out the total program revenue.
- The \$257,601 in contribution noted above is the result of two contributions from the County of San Mateo: a contribution of \$85,436 to HEART's Trust Fund from the County's impact fees and a contribution of \$114,949 from the County to support the HEART's City Staffing Program.

**Housing Endowment and Regional Trust of San Mateo County
Management’s Discussion and Analysis**

- The increase of \$257,425 in charges for services is largely comprised of \$171,000 in fees charged to cities for HEART’s City Staffing Program, and \$90,069 in developer loan fees.
- Total expenses incurred during the current period amounted to \$1,027,941, an increase of \$263,682, or 24.5% more, than the previous year. Most of the increase in expenses is due to the addition of more staff at HEART to meet the increased program work load of HEART’s City Staffing Program.

Budgetary Analysis

	<u>Budgeted Amount Final</u>	<u>Actual Amount – Budgetary Basis</u>	<u>Variance -Positive (Negative)</u>
Total Revenues and Other Financing Sources	\$ 1,336,253	\$ 2,966,132	\$ 1,629,879
Total Expenditures and Other Financing Uses	<u>1,446,392</u>	<u>1,027,941</u>	<u>418,451</u>
Net Change in Fund Balance	<u>\$ (110,139)</u>	<u>\$ 2,318,191</u>	<u>\$ 2,428,330</u>

- Actual revenues were higher than budgeted by \$1,629,879. While HEART’s individual revenue sources fluctuated and differed from the budgeted amounts, the \$1.7 million grant awarded to HEART for affordable housing development was responsible for generating the large positive variance.
- Operating expenses were lower than budgeted by \$418,451. Expenses were lower largely due the lower utilization than expected of outside contract and consulting services.

Beyond FY 2024

In 2025 HEART is planning to continue making loans to affordable housing developers with its Trust Fund. Currently, is planning on making \$3 million in loans two affordable housing projects. Additional funds will be available to make more loans throughout 2025. These loans will help HEART achieve its mission of creating more affordable housing units, while increasing its revenue from developer loan origination fees.

Over the next year HEART will also expend significant resources creating new programs to create and preserve affordable housing by financing the acquisition of privately owned, existing apartment buildings and by providing staffing help to cities to assist them with carrying out their affordable housing programs. HEART has also developed a loan program to help mobile homeowners replace their units with new ones and anticipates making \$1 million in loans to mobile homeowners in 2025.

Due to continuing high interest rates, it is likely HEART’s first-time homebuyer down payment loan program, “Opening Doors,” will continue to see low demand for its loans. HEART will continue to present community workshops for first time homebuyers and work with realtors and cities to help buyers prepare for a time when homebuying becomes feasible again.

HOUSING ENDOWMENT AND REGIONAL TRUST OF SAN MATEO COUNTY
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(b) Reporting Entity

On February 26, 2002, the County of San Mateo (County) approved establishment of a housing trust fund for the County and set aside \$3 Million from reserves to be used as the initial capitalization for the fund. A Joint Powers Agreement (Agreement) between the County and certain cities and towns within the County (Member Agencies) established the Housing Endowment and Regional Trust (HEART) in 2003 under the Joint Exercise of Powers Act per California Government Code Sections 6500 et seq. The Agreement was in effect at least until March 30, 2013 and can be terminated thereafter according to the terms specified in the Agreement. HEART's general purpose is to support and generate funding that will result in permanent additions to workforce housing needs in San Mateo County. HEART obtained a determination from the Internal Revenue Service of its tax-exempt status and classification as a public charity under Section 501(c)(3) of the Internal Revenue Code (Code), effective January 8, 2008. Contributions to HEART are tax deductible under Section 170 of the Code.

HEART is an entity separate from each participating entity and is under the direction of a Board of Directors (Board). The Board is comprised of 11 elected officials from the County and Member Agencies and 10 at-large members who are not publicly elected officials. The Board appoints a managing agent who is responsible for the day-to-day administration of HEART under its direction.

The County also made an initial allocation of \$75,000 for administrative costs in addition to the \$3 Million initial capitalization. HEART received \$2.075 Million in fiscal year 2004 and the remaining \$1 Million was paid in equal installments from fiscal years 2005 through 2009. The Member Agencies support HEART by contributing annual dues. The dues were assessed annually through fiscal year 2009 based upon Member Agency's population information used by City/County Association of Governments of San Mateo County (C/CAG). The dues remained fixed from fiscal years 2009 through 2011. The dues were reduced by 10% annually in FY 2012, and remained fixed in FY 2014 through FY 2024 at the lower rate.

Monies allocated and disbursed to HEART can be expended only for purposes authorized under the Agreement.

(c) Measurement Focus, Basis of accounting, and Financial Statement Presentation

Under the new financial reporting model, governments are required to present government-wide and fund financial statements along with reconciliation from the fund financial statements to the government-wide statements. The government-wide financial statements are reported on a basis of accounting similar to a commercial enterprise, which is different from the traditional basis of accounting used for the fund financial statements.

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred regardless of when the related cash flows take place. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(c) Measurement Focus, Basis of accounting, and Financial Statement Presentation (continued)

Governmental funds are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Under this method, revenues are recognized as soon as they are both measurable and available. Revenues are considered *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Revenues from reimbursement type programs are considered to be *available* when they are collectible within two months of the end of the current fiscal period in order to properly match revenues with related expenditures. Expenditures are recognized in the accounting period in which the liability is incurred.

Cash and Cash Equivalents: Cash and cash equivalents include all monies held in banks, highly liquid investments with maturities of less than three months and cash held in the San Mateo County Investment Pool (County Pool). A portion of the cash balance is pooled with other funds of the County to earn a higher rate of return than could be earned by investing the funds individually. HEART considers its equity in the County's investment pool to be cash equivalents.

Receivables: All receivables are reported at their gross value and, where appropriate, are reduced by the estimated portion that is expected to be uncollectible.

Restricted Assets: Amounts maintained in separate bank accounts are classified as restricted assets on the balance sheet because uses of the funds are externally restricted by the lending agencies to maintain a minimum balance in the Pledge Account for financing eligible housing developers and homeowners.

Long-term Obligations: Long-term debts are reported as liabilities in the government-wide financial statements. In the fund financial statements, governmental fund types report the face amount of the debt issued as other financing sources and interest and principal payments made in the current period are reported as debt service expenditures.

(d) Use of Estimates

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results based on subsequent events could differ from those estimates.

(e) Budgetary Information

HEART adopts an annual budget that can be amended throughout the year. The basis used to prepare the budget is the same as the basis used to reflect actual revenues and expenditures except that unrealized gains and losses are not included in the budget. See Note 1 of the notes to the required supplementary information for detail.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(f) New Pronouncements

In fiscal year 2022-23, HEART adopted new accounting standards in order to conform to the following Governmental Accounting Standards Board Statements:

- *GASB Statement No. 100, Accounting Changes and Error Corrections* – an Amendment of GASB Statement No. 62 – The primary objective of this Statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability.

2. CASH AND INVESTMENTS

(a) Cash and Investments

As of June 30, 2024 and 2023, HEART's cash and investments consisted of:

Cash Deposits

The carrying amount of HEART's cash deposits were a total of \$3,752,129. Bank balances before reconciling items were a positive amount of \$3,752,129 as of June 30, 2024. The carrying amount of HEART's cash deposits were a total of \$3,752,129. Bank balances before reconciling items were a positive amount of \$3,752,129 as of June 30, 2023.

The California Government Code requires California banks and savings and loan associations to secure HEART's cash deposits by pledging securities as collateral. This Code states that collateral pledged in this manner shall have the effect of perfecting a security interest in such collateral superior to those of a general creditor. Thus, collateral for cash deposits is considered to be held in HEART's name. The fair value of pledged securities must equal at least 110% of HEART's cash deposits. California law also allows institutions to secure deposits by pledging first trust deed mortgage notes having a value of 150% of the total cash deposits. HEART's cash deposit was fully insured up to \$250,000 by the Federal Deposit Insurance Corporation. The remaining amount was not collateralized.

(a) Cash and Investments, Continued

San Mateo County Investment Pool

Investment in the County Pool is reported at fair value. The change in fair value for the year is recorded as unrealized gain or loss and reported as part of investment earnings. Fair value is based on information provided by the County Treasurer. The fair value in HEART's investment in the County Pool as of June 30, 2024 and 2023 was \$5,928,017 and \$8,208,505 respectively. The fair value factor of 0.9913 and 0.9715 was used to calculate the fair value of the investments in the County Pool for fiscal year 2024 and fiscal year June 30, 2023.

HEART does not have a formally adopted investment policy.

(b) Risk Disclosures

Interest Risk: Interest rate risk is the market value fluctuation due to overall changes in the interest rates. It is mitigated by limiting the average maturity of HEART's portfolio. Investments held in HEART grouped by maturity date as of June 30, 2024 and 2023 are shown below:

FY2024		<u>Investment Maturities (in years)</u>			
<u>Investment Type</u>	<u>Total</u>	<u>1 year or Less</u>	<u>1 - 2 years</u>	<u>2- 3 years</u>

6. REVENUES

(a) Operating Grants and Contributions

Operating grants and contributions consist of the following:

Member Agencies Dues

Member Agencies are billed annually for dues to cover administrative expenses.

Donors

Other operating grants and contributions include contributions from private donors.

(b) Charges for Services

Charges for services are loan processing fees collected from home buyers upon close of escrow on each home loan.

(c) Investment Earnings

Investment earnings reported in the government fund *statements of revenues, expenditures, and changes in fund balance* comprise of quarterly interest received from the County Treasurer on investments made by HEART in the County Pool and interest collected from developers on cumulative interest receivable accrued. Interest is recorded in the year it is earned and is available to pay current liabilities.

Investment earnings reported in the government-wide *statements of activities* includes earnings from the County investments noted above plus interest earned in the current year on loans made to developers.

7. FUND BALANCES / NET POSITION

As prescribed by GASB Statement No. 54, governmental funds report fund balance in classifications based primarily on the extent to which HEART is bound to honor constraints on the specific purpose for which amount in the fund can be spent. As of June 30, 2024 and 2023, fund balance for the governmental fund consists of the following classifications respectively:

- (a) *Nonspendable Fund Balance* – includes amounts that cannot be spent because they are not in spendable form, such as prepaid items and loans receivable.
- (b) *Restricted Fund Balance* – includes amounts that can be spent only for specific purposes stipulated by external resources providers, constitutionally or through enabling legislation. Restrictions may effectively be changed or lifted only with the consent of resource providers.
- (c) *Unassigned Fund Balance* – is the residual classification for the government’s general fund and includes all spendable amounts not contained in the other classifications.

In circumstances when an expenditure is made for a purpose for which amounts are available in multiple fund balance classifications, fund balance is depleted in the order of restricted and then unassigned.

8. RISK MANAGEMENT

HEART is exposed to various risks of losses related to assets having a current or future benefit to HEART. HEART has insurance coverage provided by the Hartford. In addition, HEART has special excess liability insurance coverage provided as part of the County's insurance coverage. The existing insurance policies are current as of the issuance of this report. Under an agreement with the County, the Department of Housing (DOH) of San Mateo County provides fiscal and program services to HEART. Agents of the DOH are covered by the County's insurance provider. The County Counsel provides legal representation for any claims or litigation of HEART under a contract. For the years ended June 30, 2024 and 2023, the annual amount contracted with County Counsel for legal representation was \$1,069 and \$9,773 respectively.

NOTES TO THE REQUIRED SUPPLEMENTARY INFORMATION
JUNE 30, 2024 and 2023

1. BUDGETS, BUDGETARY PROCESS, AND ENCUMBRANCES

HEART uses two funding sources to manage operations: Administrative Funds and Program Funds. The Board adopts an annual operating budget, which can be amended by the Board throughout the year. Actual revenues and expenditures presented reflect activity in both funds during the year. As discussed in Note 1(d) of the notes to the basic financial statements, the basis used to prepare the budget is the same as the basis used to reflect actual revenues and expenditures, except for unrealized gains and losses under GASB 31. The financial statements record unrealized gains and losses as required by Generally Accepted Accounting Principles (GAAP). Adjustments were made to certain budgeted accounts to reflect changes made in financial statement presentation.

HEART uses an encumbrance system to assist in controlling expenditures. Purchase orders, contracts, and other commitments for the expenditures of monies are recorded under this system in order to reserve applicable appropriations. Any encumbrances outstanding at year-end are recorded as reservations of fund balance as they do not constitute expenditures or liabilities.

The actual net change in fund balance under the budgetary basis on page 33 is reconciled to the change in fund balance under GAAP on page 18 as follows:

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Independent Auditor's Report

To the Board of Directors
of the Housing Endowment and Regional Trust
of San Mateo County
San Mateo, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and major fund of the Housing Endowment and Regional Trust of San Mateo County (HEART) as of and for the years ended June 30, 2024 and 2023, and the related notes to the financial statements, which collectively comprise HEART's basic financial statements, and have issued our report thereon dated August 31, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered HEART's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of HEART's internal control. Accordingly, we do not express an opinion on the effectiveness of HEART's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether HEART's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Property Management Company

HEART-SV has interviewed four (4) qualified property management companies and is still in the process of negotiating a property management agreement for the Project. Although we have not signed an agreement with the following company, we have included their qualifications to ensure Brisbane City Staff of the availability of qualified managers. The property management company is subject to change to a company other than the company listed below.

[Prodesse Property Group](#) has been in business for 29 years and currently manages over 200 properties. Prodesse Property Group's most public affordable management portfolio is in the North Fair Oaks neighborhood, near Redwood City. There they oversee the St. Francis Center's residential portfolio of smaller 2-20 unit affordable buildings as well as the 64-unit Renalto Court, which was purchased as a community benefit associated with the Malibu Grand Prix redevelopment application.

Prodesse Property Group has experience managing market rate, naturally occurring affordable, and deed restricted housing throughout the peninsula. Their experience with property management and the tenant income verification process is what attracted us to hire them for a property HEART-SV acquired in 2024 in Redwood City.

Project Requirements

HEART requests the following changes to Table 5 of the RFP and the background tables referenced therein.

Income Limits & Maximum Rents. Consistent with the current owner's practice, HEART intends to stack public subsidies on a limited number of units. Please note that neither HEART's proposal nor the current owner's existing rent table match the Table 1 or Table 2 of the RFP due to the stacking of public subsidies. This practice will allow HEART to operate a mixed-income project renting to tenants between 30% and 80% AMI. This will generate sufficient rental income to sustain the project in the long-run. Please see Item 6 on the Letter of Intent.

In addition, HEART proposes to replace the two 40% AMI units with one 30% AMI unit and one 50% AMI unit. This will enable HEART to implement the State Office of Housing and Community Development (HCD) published rent levels.

Debt Coverage Ratio. All proposed project loans are residual receipt loans with no hard debt payment requirements. Therefore, the project does not have a debt service coverage ratio.

Property Welfare Tax. HEART and its affiliate HEART-SV are public joint powers authorities and are not subject to ad valorem property taxes. Therefore, it is not necessary to include the property welfare tax exemption in the Project budget.

Insurance Requirements. HEART requests the City waive Professional Liability Coverage as this project does not constitute providing professional consulting services to the City. Second, we are requesting the City waive workers' compensation for HEART-SV. As noted in the proposal, HEART intends to assign the acquisition of the property to its affiliate HEART-SV. HEART-SV serves as the legal entity holding title to assets acquired under HEART's programs and as such it does not have any employees. HEART carries workers compensation and names HEART-SV as an additional insured. The City of Brisbane is also an additional insured on HEART's insurance.
