James A. Hanes Jr. Assistant Chief

We want to remind our citizens to replace their batteries in their smoke detectors, if they have not done so already. It is important to do it every 6 months.

We also would like to have our citizens prepare for spring weather. We have already seen massive amounts of wind and rain, along with big temperature swings. Make sure you have enough food, water, and essential supplies to get you and your family through a minimum of 48-72 hours with no power.

**Thank you,
Nicholas J.A. Kantz
Fire Chief**
