Keep Citizens Informed

As a staff & management team, keeping citizens informed can be a challenge. GONotify® includes some awesome features to help with this process:

- Send **Alerts & Emergency Notifications** directly to citizens
- Send Targeted Content by using **Subscription Groups** that you can define & select when sending out a message
- Use our **Message Editor** to easily create detailed & stylish communications that include pictures, formatting, links to videos, documents and other content.
- For Create Once, Publish Everywhere with **Multi Channel Publishing** that allows you to push content to the most vital channels including **Mobile, Email, Twitter, Facebook & Website.**
- For **customers who also purchase GOGov CRM**, citizens can communicate to get more information and start a dialogue with agency staff (**requires GOGov CRM**).

- Social Media Pages
- Website Content
