Employees of the Town of Bristol must meet the following guidelines in order to receive the base rates listed above per each department's guidelines.

PAY CONSIDERATIONS

Civilian Employees

All full-time civilian employees may be scheduled to work 40-hours per work week based upon 2,080 hours per calendar year. Five 8-hour days or four 10-hour days depending upon the department's established work schedule.

All seasonal and/or part-time civilian employees may be scheduled to work less than the normal 40-hour workweek, or eight-hour shifts. However, there is no set schedule for these employees.

The Town Manager, or the Clerk-Treasurer, will determine the pay rate for their direct report employees who are hired mid-year for a position listed in the chart above, with the approval from the Town Council.

Police Department Employees

Full-time Police Department employees may be scheduled to work 40 hours in a seven-day work period.

Full-time Police Department employees voluntarily participating in the Indiana Criminal Justice Institute Selective Enforcement program will be compensated at double time ~~one and one-half times~~ their hourly rate for all hours worked in the Selective Enforcement program, beyond their

TOWN OF BRISTOL, INDIANA

Salary Ordinance No. 12-18-2025-24

normal daily duties. In 2026, there will be approximately 10 hours per month for all Police Department employees collectively. The total hours worked will be paid from the Police Fund, based on an approved Elkhart County grant.

Overtime/Compensatory Time/Flextime

Overtime compensation will be paid to nonexempt employees at time and one-half of the employee's hourly pay rate for all hours worked over 40 in a standard workweek and in accordance with the Fair Labor Standards Act (FLSA). An employee's time off while using vacation, personal leave time, holidays, bereavement leave, jury or witness duty leave, or any other leave of absence will not be considered hours worked for purposes of performing overtime calculations. Overtime is generally discouraged and must be approved by an employee's Supervisor in advance, except in an unusual or emergency situation.

The Town of Bristol may allow compensatory time in lieu of overtime pay for nonexempt employees. Compensatory time is earned at the rate of one and one-half times the actual time worked. For example, a nonexempt employee who works one hour of overtime will receive one and one-half hours of compensatory time. Compensatory time may be accrued to a maximum of 40-hours and employees should use banked time as soon as possible after it has been earned. Upon termination of employment, the nonexempt employee is entitled to receive payment for earned and unused compensatory time at the regular hourly wage rate in effect at the date of termination, or the average of the past three-years, whichever is greater.

It may be possible for employees in certain situations, with the permission of their supervisor, to work an adjusted or flexible work schedule. The schedule must not cause a reduction in the ability of that employee's department to properly perform its duties and responsibilities. The establishment of a flexible schedule may not result in the need to hire other employees or the use of overtime to cover those "traditional" hours not worked by the employee working a flexible schedule. A flexible schedule may allow for nonexempt employees to work more than eight hours in a day but must not exceed 40-hours in a workweek.

"Call-In" Pay – Civilian and Police Department Employees

Nonexempt civilian employees who are called-in to work during nonworking hours will be paid a minimum of one-hour at their normal rate of pay for all hours worked and the hours worked will be used in the calculation of overtime for all hours worked over 40 in a workweek payable from the appropriate departmental budget.

Nonexempt civilian employees who are called-in to work during an approved scheduled vacation or personal leave time will be paid a minimum of one-hour at a rate of time and one-half their normal rate of pay for all hours worked. The hours worked will be paid from the appropriate departmental budget.

Nonexempt employees who are called-in to work during a holiday will be paid a minimum of one-hour at a rate of time and one-half their normal rate of pay for all hours worked in addition to their holiday pay, payable from the appropriate departmental budget.

Nonexempt employees in the Police Department who provide supervisorial consultation will be paid in blocks of 15-minutes which will be counted towards the 40-hours in a seven-day work period payable from the Police Department budget. Nonexempt employees in the Police Department who are "called-in" to work will be paid a minimum of one-hour. If they work beyond one hour, the amount of time will be rounded up in 15-minute increments and will be counted towards the 40-hours in a seven-day work period payable from the Police Department budget.
