### **Staffing:**

We are still short 1 Fulltime FF/EMT

### **Apparatus:**

We had all our fire pumps tested at the beginning of November. Happy to report that they all passed and are recertified. We are still working on getting our yearly PMs completed. We are working to have them all completed by the end of the year.

We did have an ambulance get rear end while at a stop light. No one was hurt. The ambulance did sustain minor damage but is still usable while waiting on parts.

### **Additional:**

We are still collecting toys for our Toys 4 Tots campaign.

The fishing tournament with the Tackle Shack and Forest River Fishing Group was a great success, we raised \$2,989.50.

We had a great time at the Truck N Treat. Thank you, Jill, for putting that event together.

We are looking forward to the Christmas Tree Lighting. Thanks to the street department for helping us put the lights on the tree.

We want to thank our community for all the support.

**Thank you,  
Nicholas J.A. Kantz  
Fire Chief**
