

December 12, 2023 Park Board Report
Scott on Zoom, Attended: Linda Powell, Mike Ropp, Mike Yoder,
(Dean Absent), Secretary: RoseMary McDaniel attended.

Chad Tinsley Visitor. His phone # 574 606 1312.
Discussed small engine mini bikes. He wants to set up a mini-bike show and swap meet
He will bring plans to the event to our next meeting. He is planning to use Congdon Park.
He would like to see Food Trucks come to the event.

Over head elevated bridge to Congdon Park At Stoll property.. 10-12 Feet, sidewalk would end
at building. Will look at design 10 or 12 feet wide. Could park at Stoll property.
Would need to remove building next to Stoll property.

Mike & Jill have applied for a grant for the new building, which Mike presented several new
drawings of possible building. A Park building 110-115 feet was featured. Monogram
Monogram has expressed interest in this new building which could be used for meeting and
employee activities.

A discussion was held about the community garden. The Bristol grade school is a possible
relocation spot if needed. Mike Ropp expressed that he hoped it would be possible to keep the
garden in the current location.

Hermance Park:

Mike Ropp discussed the planting of the wetland area behind the pavilion in the Park. The
planting of native plants and a few trees to be done by April 30, 2024. This planting has been
expanded to more area than what was originally planned in 2023.

Hermance Park:

The Hermance toilets have been fixed. It was necessary to tear down the walls between the
restrooms in order to plug up the old toilet holes that were never sealed off. The new toilets
that were installed were basement toilets that actually need a pump force to lift sewage to the
lift station. Pavilion is now ready for renting.

Congdon Park:

There was a discussion on purchasing six more picnic tables, and it was decided to wait until
2024.

There was a discussion to replace Dean Rentfrow who was elected to the Town Board with
Andrew Medford who is leaving the Town Board and has expressed interest on being on the
Park Board. The Park Board approved of Andrew Medford appointment to the Park Board.
Linda Powell expressed continuing on the Park Board as her term is up. Linda will take both
recommendations to the Town Board for their approval.

The 2024 meeting dates for the Park Board, as presented by an email from Town Clerk Cathy
Antonelli, were accepted by the Park. It was moved by Linda Powell and seconding by Scott
Dreamer that we accept the dates. Board Approved.

Dean advised that \$7,028,84 was left in Park Budget to spend for 2023.

Next Park Board meeting on January 9, 2024 at 6pm pm in upstairs town hall meeting room
Visitors welcome. Scott will attend this meeting by zooming.
