In addition, recipients and sub-recipients of federal funds (those who receive federal funds as they trickle down to develop programs and projects) have contractual obligations to comply with Assurances of Non-discrimination (Assurances) as a condition of receiving those funds, and also with INDOT's annual Pre-Awarding Certification Process pertaining to the Local Public Agency (LPA) and all other Federal Grant opportunities.

## **POLICY STATEMENT / NOTICE**

The Town of Bristol (hereafter referred to as “Town”) is required to comply with Title VI of the Civil Rights Act of 1964 (Title VI) and all related statutes, regulations, and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the U.S. Department of Transportation (DOT) on the grounds of race, color, age, national origin, gender, disability or income status.

The Town assures that no person in the United States shall, on the grounds of race, color, age, national origin, or gender, disability, or income status be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal assistance (23 CFR 200.9 Title 49 CFR 21).

The Civil Rights Restoration Act of 1987 broadened the scope of Title VI coverage by expanding the definition of terms “programs or activities” to include all programs and activities of Federal Aid recipients, sub-recipients, and contractors, whether such programs and activities are federally assisted or not (Public Law 100-259 [S.557] March 22, 1988).

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973 (29 USC §794), the Town hereby gives assurance that no qualified disabled person shall, solely by reason of his disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination, including discrimination in employment under, any program or activity that receives or benefits from Federal financial assistance.

In the event the Town distributes federal aid funds to a sub-recipient, the Town will include Title VI language in all written agreements and will monitor for compliance. The Town’s Title VI Coordinator is the appointed Mike Yoder, Town Manager, 303 E Vistula Street, Bristol, IN 46507. Office (574) 848-7007 ext. 1 Email [townmanger@bristolindiana.org](mailto:townmanger@bristolindiana.org).

Additionally, the Town values each individual’s civil rights and intends to provide equal opportunity and equitable services for the residents and patrons of the town, and acknowledges throughout the years, additional regulations, statutes, directives and executive orders have been passed which expand the breadth of Title VI, and has endeavored to provide non-discrimination in all areas (including employment opportunities).

Therefore, regardless of receiving any federal funds, the Town prohibits discrimination and/or the exclusion of individuals from employment or participation opportunities, its municipal facilities, programs, activities and services not only based on the individual person’s race, color, national origin, disability, sex, age, income status or limited English proficiency (Title VI), but also individual person’s religion, citizenship status, military status, genetic information, or any other category protected under federal, state, or local law. Further, irrespective of whether sexual orientation or transgender status are legally-protected statuses, the Town does not tolerate discrimination on the basis of sexual orientation or transgender status.

The Town has recognized these tenets, to include INDOT’s annual Pre-Awarding Certification Process pertaining to the Local Public Agency (LPA) and all other Grant opportunities, and will continue to monitor policies for compliance. (see Appendix – Title VI - Notice)

## **ENVIRONMENTAL JUSTICE**

In accordance with Presidential Executive Order 12898 (EO12898) Environmental Justice for Low Income & Minority Populations of 1994, each federal agency shall ensure that all programs or activities receiving Federal financial assistance make achieving environmental justice part of its mission by identifying and addressing, as appropriate, disproportionately high adverse human health or environmental effects of its activities on minority and low-income populations, particularly when such analysis is required by the National Environmental Policy Act (NEPA). EO12898 emphasizes the importance of NEPA's public participation process, directing that each Federal agency shall provide opportunities for community input in the NEPA process. Agencies are further directed to identify potential effects and mitigation measures in consultation with affected communities. EO12898 requires agencies to work to ensure effective public participation and access to information. Thus, within its NEPA process and through other appropriate mechanisms, each federal agency should, translate crucial public documents, notices and hearings, relating to human health or the environmental for limited English proficiency populations when it is practical and appropriate.

In accordance with Title VI of the Civil Rights Act of 1964, each Federal agency shall ensure that all programs or activities receiving Federal financial assistance that affect human health or the environment do not directly, or through other arrangements, use criteria, methods, or practices that discriminate on the basis of race, color, age, national origin, gender, disability, or income status. Part of Title VI reads, *"No person in the United States shall, on the ground of race, color, age, national origin, gender disability, or income status be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance."*

The three fundamental environmental justice principles are:

- To avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations;
- To ensure the full and fair participation by all potential by all potentially affected communities in the transportation decision-making process; and
- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by minority populations and low-income population.

The Town of Bristol is committed to these environmental justice principles in all work that the Town performs.

## **LIMITED ENGLISH PROFICIENCY (LEP) PERSONS**

The Town of Bristol, Indiana will take reasonable steps to ensure that persons with Limited English Proficiency (LEP) have meaningful access and an equal opportunity to participate in our services, activities, programs and other benefits.

Presidential Executive Order No. 13166, titled "Improving Access to Services for Persons with Limited English Proficiency," indicates that individuals treated differently based upon their inability to speak, read, write or understand English is a type of national origin discrimination. Presidential Executive Order No. 13166 defines limited English proficiency persons as those individuals who do not speak English as their primary language and have limited ability to read, speak, write or understand English.

For any program or project receiving federal funds the Town of Bristol, Indiana will conduct a four part analysis to determine what, if any, limited English proficiency services will be required. The four factors to be considered in determining the need and type of language assistance services are:

1. Number or proportion of LEP persons encountered in need for assistance
2. Frequency of contact with LEP persons
3. Nature and importance of program or service provided
4. Resources available to the Town of Bristol, Indiana

If a review of the first two factors show that less than five percent (5%) of the intended beneficiaries of the program or project are limited English proficient, no language assistance measures will be developed for that program or project. This will be determined through United States Census Bureau data as well as a review of Encounter Forms completed by town personnel.

However, in an effort to ensure that persons with Limited English Proficiency have meaningful access and equal opportunity, the Town of Bristol, Indiana will accommodate any and all requests for oral or written translation services. If more than five percent (5%) of the intended beneficiaries of the program or project are limited English proficient, the Town of Bristol, Indiana will review the nature and importance of the program or project to determine what language assistance measures should be developed for the program or project.

The resources available to the Town of Bristol, Indiana should be considered in determining the appropriate language assistance measures. Language assistance measures may include, but are not limited to, oral interpreter service, either in-person or through a telecommunication service, written translation service, bilingual staff, use of community volunteers, language cards, and use of universal signs, symbols and pictures.

The Town of Bristol strives to serve its population to the best of its ability and will provide upon request, services to assist the LEP population including translation of vital documents and interpretation services deemed necessary to provide meaningful access to Town services.

A U.S. Census Bureau Language Identification card is available as part of this document (see Appendix – US Census 2020 Language Identification Card) and on the Town's website ([bristolindiana.org](http://bristolindiana.org)) and is also available at Town Hall located at 303 E Vistula Street, Bristol, IN 46507. This card allows LEP individuals to communicate their preferred language to Town staff whereas Town staff may then access a language translation service to accommodate the needs of the person with LEP. A translation service called INDY Translations, phone number (317) 566-8200 is available to Town staff or other translation services may be used as determined by the Town.

## **APPENDICES / ATTACHMENTS**

**THE TOWN OF BRISTOL, INDIANA**  
**TITLE VI - NOTICE**

The Town of Bristol (hereafter referred to as "Town") is required to conform to Title VI of the Civil Rights Act of 1964 (Title VI) and all related statutes, regulations, and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the U.S. Department of Transportation (DOT) on the grounds of race, color, age, national origin, gender, disability or income status.

The Town assures that no person in the United States shall, on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal assistance (23 CFR 200.9 Title 49 CFR 21).

The Civil Rights Restoration Act of 1987 broadened the scope of Title VI coverage by expanding the definition of terms "programs or activities" to include all programs and activities of Federal Aid recipients, sub-recipients, and contractors, whether such programs and activities are federally assisted or not (Public Law 100-259 [S.557] March 22, 1988).

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973 (29 USC §794), the Town hereby gives assurance that no qualified disabled person shall, solely by reason of his disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination, including discrimination in employment, under any program or activity that receives or benefits from Federal financial assistance.

In the event the Town distributes federal aid funds to a sub-recipient, the Town will include Title VI language in all written agreements and will monitor for compliance. The Town's Title VI Coordinator is the appointed Town Manager, Mike Yoder, Town of Bristol, 303 E Vistula Street, Bristol, IN 46507. Office: (574) 848-7007 ext. 1, Email: [townmanger@bristolindiana.org](mailto:townmanger@bristolindiana.org).

Additionally, the Town values each individual's civil rights and intends to provide equal opportunity and equitable services for the residents and patrons of the Town, and acknowledges throughout the years, additional regulations, statutes, directives and executive orders have been passed which expand the breadth of Title VI, and has endeavored to provide non-discrimination in all areas (including employment opportunities).

Therefore, regardless of receiving federally funds, the Town prohibits discrimination and/or the exclusion of individuals from employment or participation opportunities, its municipal facilities, programs, activities and services not only based on the individual person's race, color, national origin, disability, sex, age, low income status or limited English proficiency (Title VI), but also individual person's religion, citizenship status, military status, genetic information, or any other category protected under federal, state, or local law. Further, irrespective of whether sexual orientation or transgender status are legally-protected statuses, the Town does not tolerate discrimination on the basis of sexual orientation or transgender status.

The Town has recognized these tenets, to include INDOT's annual Pre-Awarding Certification Process pertaining to the Local Public Agency (LPA) and all other Grant opportunities, and will continue to monitor policies for compliance.
