

PETITION TO THE TOWN COUNCIL

To the Honorable Town Council of the Town of Bristol:
The undersigned hereby respectfully requested of your
Honorable Body that:

The existing loading zone for Andrade's Catch (186 Wood St.) be extended from one parking space (single vehicle) to 66 feet long.

The increased length would allow local fishermen to safely park their vehicles (towing trailered boats) off of the main road and keep staff members unloading product away from high-traffic areas.

Furthermore, the extended loading zone on Charles Street allows these deliveries to take place regardless of any lack of parking on Wood Street during local events, holidays, and increased visitors to our neighbors, Sengone Funeral Home.

A dedicated zone of 66 feet, spanning the distance from the Eastern Property line to existing delivery door, is requested.

Please see attached images of existing loading zone space and highlighted potential new space.
