Bristol Town Council

Bristol, RI 02809

Dear Members of the Bristol Town Council,

It is with regret that I inform you that I resign as a Commissioner on the Bristol Housing Authority Board prior to the expiration of my term which expires in 2027, effective immediately.

I have enjoyed being a Commissioner for many years and believe the BHA serves the community well. I leave at a time of stability, with a good administrative team as well as committed colleagues on the Board.

Thank you for the opportunity to serve, it is much appreciated.
