NOTES:

Virginia Quaresma, 34 Cooke Street is requesting an accessible parking space be created across from her residence to assist with parking. Ms. Quaresma has an active accessible parking placard which is due to expire in Nov. 2028. Ms. Quaresma stated that she has off-street parking, however, her son utilizes both off-street parking spaces in her driveway for his vehicles. After reviewing this petition, it is my recommendation to deny this request due to ample off-street parking available at this residence. Ms. Quaresma was advised of my denial recommendation.
