

PETITION TO THE TOWN COUNCIL

To the Honorable Town Council of the Town of Bristol:
The undersigned hereby respectfully requested of your
Honorable Body that:

To the Honorable Town Council of the Town of Bristol:

My name is Joseph Botelho and I'm assisting my mom Marlene Botelho by writing this letter to the town council of Bristol. She is 84 years old and has problems writing in English. (Hope you understand)

On Sunday January 30th 2022, my mom when to St Elizabeth's Church for Sunday Mass and parked on Wood St (handicap parking) front the church.

After Mass she noticed a large branch from a tree fell and damaged her driver's side front fender.

My mom did not file for a police report because she thought that was only needed when you had a vehicle accident with another vehicle. (Again 84 years old)

I recently looked at the damage and advised her that she needed it fixed because rust started to show where the paint chipped off. We took the car to Safe Way for a quote so my mom can get her car fixed. This is when they told us that we could request the Town of Bristol for assistance because the tree was owned by the town. Hence, why we are making this request now.

We have 2 quotes for your review and would greatly appreciate your assistance in rectifying the damage to my mom's car.

If you have any questions please feel free and call;

Joseph Botelho 401-442-3250

Marlene Botelho 401-225-2232 (she uses a hearing aid so please talk loud.)

Again thank you for your time and understanding with this matter.

Best regards

Marlene Botelho

PLEASE NOTE:

Petition must be returned by 4:00 PM, two (2) Fridays prior to the Town Council meeting to appear on the docket of the _____ meeting for review and possible action. It is Council policy that action may not be taken on petitions unless recommendations, if necessary, from appropriate departments are received prior the Council meeting.

Estimate based on MOTOR CRASH ESTIMATING GUIDE and potentially other third party sources of data. Unless otherwise noted, (a) all items are derived from the Guide ARA3870, CCC Data Date 06/09/2022, and potentially other third party sources of data; and (b) the parts presented are OEM-parts. OEM parts are manufactured by or for the vehicle's Original Equipment Manufacturer (OEM) according to OEM's specifications for U.S. distribution. OEM parts are available at OE/Vehicle dealerships or the specified supplier. OPT OEM (Optional OEM) or ALT OEM (Alternative OEM) parts are OEM parts that may be provided by or through alternate sources other than the OEM vehicle dealerships with discounted pricing. Asterisk (*) or Double Asterisk (**) indicates that the parts and/or labor data provided by third party sources of data may have been modified or may have come from an alternate data source. Tilde sign (~) items indicate MOTOR Not-Included Labor operations. The symbol (<>) indicates the refinish operation WILL NOT be performed as a separate procedure from the other panels in the estimate. Non-Original Equipment Manufacturer aftermarket parts are described as Non OEM, A/M or NAGS. Used parts are described as LKQ, RCY, or USED. Reconditioned parts are described as Recond. Recored parts are described as Recore. NAGS Part Numbers and Benchmark Prices are provided by National Auto Glass Specifications. Labor operation times listed on the line with the NAGS information are MOTOR suggested labor operation times. NAGS labor operation times are not included. Pound sign (#) items indicate manual entries.

Some 2022 vehicles contain minor changes from the previous year. For those vehicles, prior to receiving updated data from the vehicle manufacturer, labor and parts data from the previous year may be used. The CCC ONE estimator has a list of applicable vehicles. Parts numbers and prices should be confirmed with the local dealership.

The following is a list of additional abbreviations or symbols that may be used to describe work to be done or parts to be repaired or replaced:
