WE, the Petitioners, RESPECTFULLY REQUEST THAT OUR HONORABLE TOWN COUNCIL DENY BRADY SULLIVAN'S ZONING CHANGES AT 125 THAMES STREET (BRISTOL YARN MILL/ROBIN RUG) AND KEEP CURRENT ZONING AND DENSITY IN PLACE. The changes petitioned for do not agree with the Comprehensive Plan in maintaining a favorable tax base, managing growth in the fiscal capacity of the town, creating overly high density not compatible with the neighborhood, expanding views to the waterfront, creating affordable housing on site, and economic development relating to commercial space.

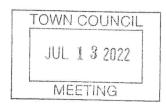

Keep the Zoning Laws in Place on Robin Rug development

Marianne Bergenholtz started this petition

Robin Rug Developers have petitioned the

Town Council to change our Zoning Laws so they can expand their development and cut out benefits to Bristol's public. Brady Sullivan's own Fiscal Impact Statement admits that "By subtracting the total expense estimate of \$558,230 from the total anticipated revenue of \$212,457, the Town of Bristol will actually realize a Net Revenue Loss of \$345,773 with regard to expenses and revenues on an annual basis that the development, while generating tax revenue to the Town, will increase costs of public services by over \$600,000 per year. Bristol

property taxpayers will make up the difference of over \$345,000 per year to support the project." The proposed Zoning Changes will increase these losses to taxpayers. The current cap, at 98 units would reduce the losses to property taxpayers.

Our Comprehensive Plan Goal 4 is to "Maintain a favorable tax base" by "Encouraging balanced growth" and "Managing growth in concert with the fiscal capacities of the community." The proposed changes do not agree with the Comprehensive Plan, therefore, must be denied.

Stop the Robin Rug/Brady Sullivan Zoning Changes that will:

- Increase the tax burden on current Bristol property owners (over \$345,000 per year).
- Expand the already high density zoning to include the empty parking lots across the street.
- Remove the cap of 98 units to an unlimited number of units that the developer, not the Town, would determine are appropriate.
 - Exclude the 20% Affordable Housing on site that the law requires.
 - Reduce commercial space on the waterfront by 78% at the site of the new marina that would be an economic driver for local business opportunities.

We the petitioners request the Town Council to uphold these current Zoning laws:

- Keep the current WPUD Zone as was planned
- Keep the cap of 98 units with no expansion, as was planned
- Include 20% Affordable
 Housing on site, as required
 by law
- Keep the commercial space at

22,000 square feet as was planned, to open up the waterfront for the public and enhance the new marina

"""Bristol's Comprehensive Plan states, ""It is not enough to rely on elected and appointed government officials to assure that actions today will not impair the quality of life for future generations.....ultimately, the existence of a dedicated and passionate citizenry will ensure

that stewardship in the decades ahead."""""

ANNE KELLERMAN BRISTOLRI 2809 US 7/9/22

"""The current proposal does not bring adequate benefits to the town. In fact, the increased density creates problems that will be ours forever. Also our town is committed to providing affordable units as we develop new areas."""

David Guinther Bristol RI 2809 US 7/9/22

"""Elected town officials have a duty to enforce town laws objectively and with our citizens best interest in mind. This petition is simply a request they do so."""

Beth Engell Bristol RI 2809 US 7/10/22

"""Will increase expenses of town, not lower. Letting developers include existing businesses, does not add new business. Don't settle, do it right."""

James PiccirilliBristol RI 2809 US 7/10/22

"""We do not need any additional expenses to a town that is becoming incredibly crowded already. Tax payers should not be further burdened due to development of housing, and we need to encourage businesses to move in and prosper in the town."""

Benjamin Bergenholtz Bristol RI 2809 US 7/10/22

""""Affordable Housing" = "Critical Workforce Housing" for our nurses, teachers, rescuers, and other people this community depends on 24/7."""

Laura Temple Bristol RI 2809 US 7/11/22

"""I feel strongly that the developer shouldn't be in charge of this attempt to go against the town's zoning and that we must look out for those of us that need affordable housing. We should not be bowing to a developer just so they can make money."""

Philip Marshall Burlington VT US 7/11/22

"""Bristol residents must maintain self-determination; the quality of life that makes people proud to call Bristol home; and an ability to successfully defend Bristol against greedy interlopers who don't care about Bristol's future or past."""
