MEMORANDUM

TO : CHIEF KEVIN M. LYNCH

DATE: 07-06-2022

VIA : PROPER CHANNELS

FROM : LIEUTENANT ROMAN WOZNY

SUBJECT : 19 RYAN AVE NO-PARKING BLOCK REQUEST

Sir,

Ms. Cedalia Harper of 19 Ryan Ave. is requesting a no-parking block be placed on east side of Ryan Ave. across from her driveway.

Ryan Avenue is a one-way travel road for northbound traffic with parking allowed on the east side of the road. This road measures 16 feet in width. The width of this driveway measures 15 feet across.

I spoke to Ms. Harper regarding her no-parking block request. Ms. Harper informed me that this location has had a no-parking block in past, however; when this road was repaved all no-parking blocks without an active town ordinance were not re-painted.

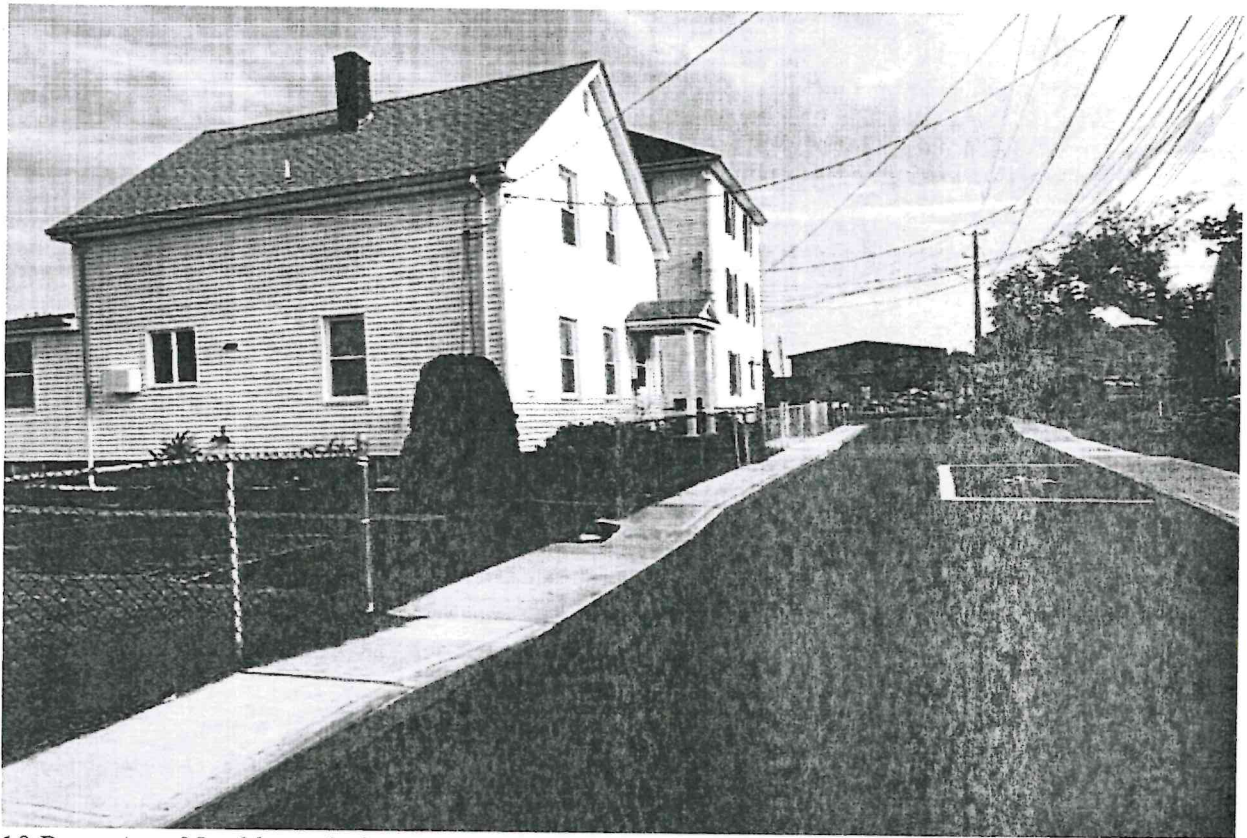

We applied our no-parking block assessment policy to this no-parking request by placing a full-sized SUV just south of the driveway with the front of the vehicle in line with the start of the driveway. With a second large vehicle we demonstrated the difficulty level of maneuvering a vehicle out of this driveway. We found that we were unable to back out of this driveway without making three corrections.

After speaking to Ms. Harper and reviewing this request, I recommend that this parking block be approved. The difficulty level of maneuvering a vehicle out of this driveway has met the requirements for approval when applying our no-parking block assessment policy. Please see attached review video and photos.

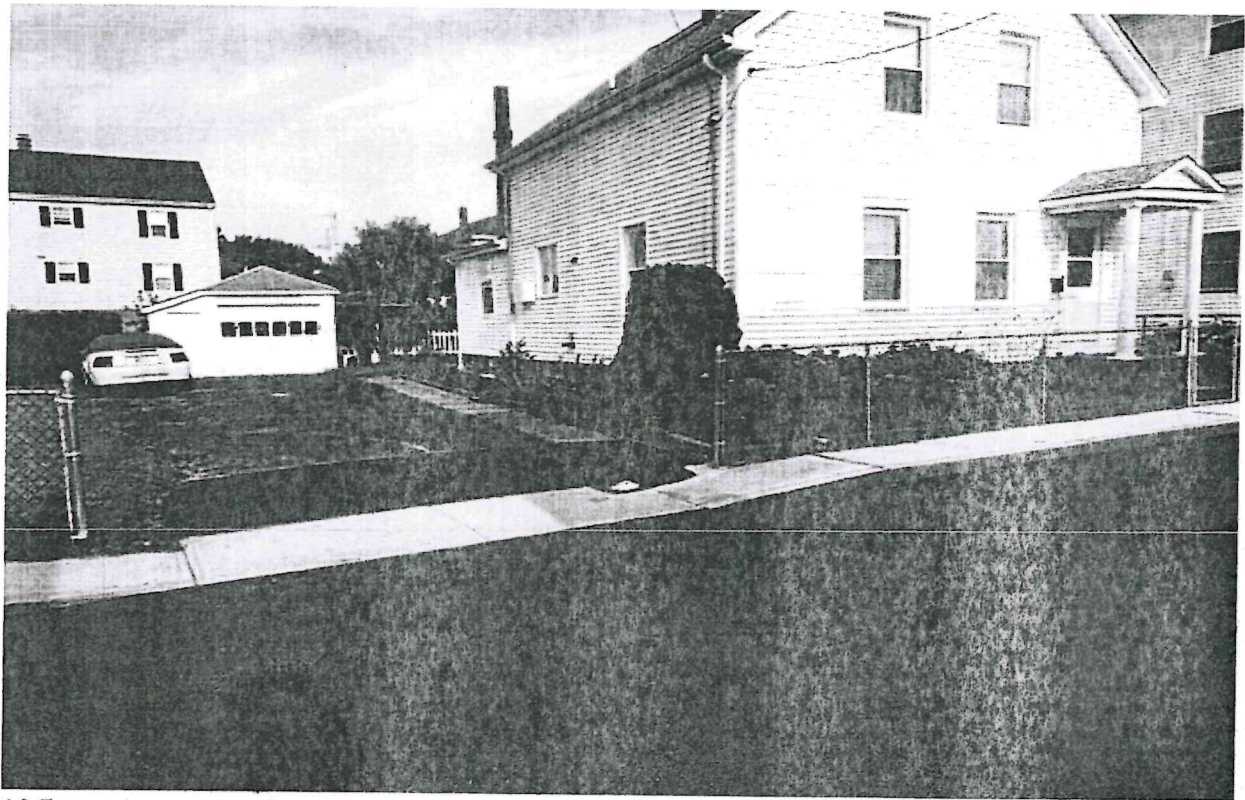

Respectfully submitted,

Lt. Roman Wozny

19 Ryan Ave. west view from roadway-Driveway measures 15' at opening and narrows into the driveway which increases the difficulty of maneuvering a vehicle in and out of the driveway.
