PETITION TO THE TOWN COUNCIL

To the Honorable Town Council of the Town of Bristol:
The undersigned hereby respectfully requested of your Honorable Body that:

I want the town council to pass an ordinance authorizing Police to take action ^{against} as though it is a violation similar to private property trespass any time a neighbor or anyone else makes or has made altercations on town land within ~~such~~ ^{any other} private property owner's ~~lines~~ ^{property} lines.

This enforcement will be for ^{or} on behalf of each private property town resident, ^{equally} under the circumstances, after other whose private and town property(s) it isn't has been told, both by the said private property owner and police not to make or continue to make altercations on the said town property land; whether done by weed whack, air blower, lawn mower, snow plow machines, or other including manual tools such as, shovels, rakes, seed spreaders, or whatever effort can be done by hand or feet to plant, cut, poison, or uproot, unless authorized by the town authority, to do so.

I'd like to request the same for lands that's the towns or the state's in the town that don't abutt a private property owner's boundaries but are merely aligned to private property, for instance across a road way that can be visually determined to be within those said private property owner's official boundaries.

PLEASE NOTE:

Petition must be returned by 4:00 PM, two (2) Wednesdays prior to the Town Council meeting to appear on the docket of the meeting for review and possible action. It is Council policy that action may not be taken on petitions unless recommendations, if necessary, from appropriate departments are received prior the Council meeting.
