NOTES:

Bruce Goes has requested that a no-parking block be created on the west side of King Philip Avenue, directly across from his residence, to assist him in exiting his driveway. For this request, we applied our No-Parking Block Review Policy. As part of our evaluation, we parked a full-size SUV in front of the residence. Using a second full-sized department SUV, we demonstrated the difficulty level of maneuvering a vehicle out of the driveway. Our officer found minimal difficulty in maneuvering his vehicle out of this driveway, requiring only one correction during the maneuver. Based on this review, I have determined that the request does not meet the criteria for approval. It should be noted that this driveway measures 12' in length, which is insufficient to accommodate a full-sized vehicle.
