FROM: Diane M. Williamson, Director
RE: **2-Year Curbside Composting Pilot Program
Eastern RI Conservation District Outreach**

I am pleased to inform you that the Eastern RI Conservation District (ERICD) has received the grant from 11th Hour Racing to be implementing the 2- year pilot program for curbside composting in Bristol.

Over the summer, ERICD will be conducting community outreach for this program for interested residents who want to enroll in the program for the subsidized service. The service will start September 18, 2025.

Anyone interested should apply on the website at

blackearthcompost.com/bristol

A flyer is also attached for your information.

Thank you.
