**Subject:** revised Aerial photo and Portside Measurements 06/20/2025

Mrs. Williamson,

I responded today and measured the Portside Pavers patio located on the southwest corner of the Portside Restaurant Property on Thames Street.

The Length of the inside dimension is: 23 feet 7 and  $\frac{3}{4}$  inches.

The Depth of the Left side inside dimension is 16 feet and 10 inches.

The Depth of the Right side inside dimension is 18 feet and 6 inches.

I am attaching the 2024 Spring Aerial RIGIS image which I remarked for visual reference.

Please advise if anything else is needed.

Ray
