Answer Note: Jonathan O'Donnell assumes no liability for any losses contracted with the firm, unless explicitly contracted to manage and control the firm. It is the responsibility of the contractor/contractor to perform the following tasks and conditions:

1. Contractor must verify all drawings prior to proceeding with construction.
2. Contractor must verify compliance with all local building codes in the area and the town is to be built.
3. Firm includes insurance only; all engineering reports should incorporate standard conditions.
4. The liability of Jonathan O'Donnell in connection with the plan and specifications is limited to the amount of the fee paid in connection with this plan.

Other note: The plan should be amended to include any modifications to the plan. If changes are necessary, contact the Jonathan O'Donnell.
