Petition Review- Intoxicating Beverage License renewals 2023-2024:

I have reviewed the requests for Intoxicating Beverage License renewals for the listed establishments. The following issue was noted while checking our in-house records for each establishment:

- The Nest, 29 State St. was advertising on their Facebook page a free shot of alcohol with any beverage purchase between the hours of 1500-1800 on 07-16-23. This was found to be a violation of:
 - *RIGL 3-7-26(b) No licensee shall advertise or promote in any manner, or in any medium, happy hours, open bars, two-for-one nights and/or free drink specials.*

This posting was removed by the bar manager, Edmund Woods, and the event was cancelled prior to start time. Refer to 23-978-OF. Further action should be considered if additional reports are taken.

There is no known reason for denial of any of the remaining renewals provided that all laws and ordinances governing this practice are followed.

Respectfully Submitted,

Lt. Roman Wozny
