RE: **Sidewalk Use License Petition**
Roberto's 450 Hope Street

I have reviewed the above mentioned petition.

I have also reviewed the memorandum of the Code Compliance Officer and I concur with her findings and recommendation.

The area along the west side of the sidewalk as proposed by the petitioner contains lamp posts, street trees, the edge of the wall along the street edge and the steps down to Hope Street. Having tables and chairs in this congested area could result in diners edging into the sidewalk area where there are pedestrians.

The outdoor seating chart that was submitted pre-pandemic for the subject property, with 6 tables along the east side of the sidewalk next to the building itself, is recommended.
