Re: Elks Club - Church Street Dock Recommendation

Dear Honorable Members of the Bristol Town Council,

I recommend that members of the Elks Club be permitted to use up to 4 transient slips at no charge during normal Club business hours as long as the transient slips are available. This arrangement would be available while the Elks Club floats were in the water and could be considered for renewal after 3 years. I also recommend that the Elks Club improves and upgrades their existing marina floats.

Sincerely,

Steven Contente
Town Administrator
