NOTES:

Deodata Medeiros of 21 Pearse Avenue is requesting a no parking block be created in front of 103 Constitution Street to assist in accessing a walkway extending from the curb to the front door of the residence. I was unable to reach Ms. Medeiros with the number provided. I reviewed this petition and responded to the residence to better understand the request. In this area, most residents have the same type of walkway, some with stairs and others without. I also observed that the residence has two driveways, one on each side of the property. Considering that parking is limited in this area, **I do not recommend approving this petition.** If this walkway is blocked by a vehicle, the petitioner still has open access on both ends of the property.
