**Re: Letter of Support for Gooding Ave and Metacom Ave Pedestrian Signal Change**

Dear Members of the Bristol Town Council,

It has been brought to my attention that vehicles turning onto Metacom Avenue from Gooding Ave and Narrows Rd are not slowing to yield for pedestrians that are crossing Metacom Avenue.

I respectfully request that the Town Council supports a request from me to the RI Traffic Commission to program the traffic signals at Metacom Ave and Gooding Ave to stop traffic from all four directions when a pedestrian signals to cross.

Thank you for your consideration.

Sincerely,
