NOTES:

I spoke to Ms. Labao regarding her request for a no parking block to be placed across from her driveway at 38 Congregational St. For this request, we applied our No-Parking Block Review Policy. We placed a full-sized SUV across from the driveway of 38 Congregational St. and with a second vehicle we demonstrated the difficulty level of maneuvering a vehicle out of this driveway. The officer made two separate attempts of backing out of this driveway and found moderate difficulty with maneuvering his vehicle out of this driveway. We found that the officer was unable to safely back out of this driveway without making numerous corrections. I recommend that this no parking block be approved. Please see attached photos and video.
