- COTTAGE STYLE

### Window Specifications

**FRAME** – Standard Jamb Depth of 4-9/16" features Laminated-Veneered-Lumber sides and clear pine head jamb. All exposed exterior frame parts are manufactured from highly durable, low-maintenance Composite Materials; including the Blind Stop, Sill and standard Brickmould Casing. The clear pine inside sill stop is dadoed to receive a stool cap or "picture-framed" casing. A weatherstripped head parting stop is color matched to the vinyl jamb liner\* with integral Tilt 'n Clean, Block & Tackle balances.

**SILL** – Composite two piece Sill & Sill Connector system provides a continuous sill nose across Combined Windows as well as allowing for the addition of the optional Historic Sill Nosing.

**SASH** – All sash are 1-3/8" thick glazed with single pane glass, hand puttied into a primed exterior, clear pine interior treated wood sash. All divided light sash feature a traditional narrow muntin bar measuring 5/8" wide. Enhanced thermal performance is achieved with the addition of a Low-E Energy panel available for all layouts except 1/1.

\*Specify White or Beige

## Traditional Putty Glazed Single Pane Glass
