RE: Request for Class BV Intoxicating Beverage License – Kelly & Lawrence Saulnier,
East Landing, 205 Thames Street Bristol, RI 02809

TOWN CLERK'S OFFICE
BRISTOL, RHODE ISLAND

I am working on establishing communication with these new applicants. There is a grease trap currently in this location and it will need to be cleaned and assessed before operations begin. This department will need an application and permit fee from whoever is going to be running the new business at this location and an inspection will need to be scheduled before opening. Just as there can only be one BV license per establishment, there can only be one Wastewater Discharge Permit per discharge location and it has to be permitted before operations begin.

I therefore have no objections to the above petition and support the request.

Sincerely,

Shealyn A. Davey
Pretreatment Coordinator
