

Bristol Santa House

Proposed Site Plan

The Bristol Santa House provides a magical, inclusive experience focused on children with special needs and their families. We welcome children of all ages and abilities to share their holiday wishes and immerse in the Christmas spirit.

Our accessible, sensory-friendly environment creates a place where children with autism, Down syndrome, mobility impairments, and other developmental disabilities can comfortably visit Santa regardless of physical, mental, or economic challenges. Bringing the joy of Christmas to children with special needs and their families is the heart of our mission.
