Re: BYSA Request for Power to storage shed

After talking with Mike Delmage regarding this request, I am in support of it with the following requirements.

- BYSA will obtain all permits required for this project
- BYSA will pay for all the labor and materials for this project and work with Bristol Parks and Recreation in coordinating all work.
- BYSA will pay for all damages done to the building and grounds while the work is being performed.
- Bristol Parks and Recreation will pay for the electricity (same as we do for Little League) and monitor the use and revisit if the need comes up.
