Dear Alcoholic Beverage License Holder:

REMINDER – AT ALL TIMES, YOU MUST SERVE FOOD IN ORDER TO HAVE THE RIGHT TO SERVE ALCOHOL

It has come to the attention of the Town Council that not all Class B (also called B-V) liquor licensed establishments are providing food service during ALL of the hours in which they are open.

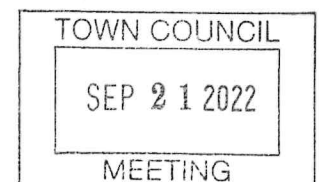

Please be reminded that pursuant to the RI General Laws and Liquor Control Administration (specifically 230-30-10 R.I.C.R. § 1.4.5 (c)–(e)), a condition of your Class B license requires that food service must be available to patrons up until the time of “last call.” While providing a full menu is not necessary, at least sandwiches or the like must be offered. Please note that chips and snack foods do NOT qualify.

For your convenience, below are highlighted relevant regulations:

C. Pursuant to R.I. Gen. Laws § 3-1-1, a Class B Licensee is defined as “Any shop or place where a substantial part of the business is the furnishing of food for consumption at the place where it is furnished.” In order to comply with the foregoing provision, the licensee must offer to the public, in conjunction with the sale of alcoholic beverages, the opportunity to purchase and consume food to be served on the premises in the same area designated for the sale and consumption of alcoholic beverages. **These foods must be offered for sale during all times that alcoholic beverages are sold and consumed on the licensed premises.**

D. All Class B licensees shall:

1. Publish and conspicuously post a menu from which all patrons of the licensed establishment can see and order food.
2. Ensure that food offered on the menu is prepared and stored on the licensed premises.

E. Licensees shall be presumed to meet the requirements of this provision by offering food at a sandwich level, as opposed to offering solely snack foods including but not limited to potato chips, pretzels, pickled eggs, pizza strips, stuffies and crackers and cheese.

You should already be aware of the importance of adhering to these requirements. It is not fair to the establishments which are following the rules if some establishments are allowed to violate them. Therefore, the Town Council will take seriously any further reports of failure to serve food, and this notice serves as a courteous reminder that such failure may result in a show cause hearing and possible fines, or suspension or revocation of your license.

Thank you for your prompt attention and cooperation in this matter.
