RE: 221 State Street – damage to fence

Please be advised that on June 30, 2023 we were notified by Natalie Colletta of 221 State Street that one of our trash trucks had damaged the fence on her property. Upon investigation we determined that due to the proximity of the fence to the location of the trash cart our driver did indeed damage the fence. We sent our General Maintenance Operators there to see if we could complete the repairs but unfortunately they could not. We contacted Fence Depot for assistance and they completed the necessary repairs to the fence located at 221 State Street.

Thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact my office.
