Property Owner (If Different from Applicant)	Owner Mailing Address (If different than Project Address)

Work Category:	Replacing in Kind
----------------	-------------------

Description of proposed work:
The railing on the back second story deck was destroyed as a result of the tenant hoisting heavy furniture during the move in process. The railing was attached to the decking which was destroyed/dismantled. We are proposing to replacement and restory the deck and railing exactly as they were. There will be no design or aesthetic changes to the property. This project is intended to restore the deck for safety and occupant use.
