Cover Letter for the position of Library Trustee in Bristol Rhode Island

My first job at 13 was working for Marshall Public Library in Marshall Michigan. I checked out books, put books away and collected overdue fees. I made .80 cent an hour. With that beginning I have valued library's ever since.

I feel that the Rogers Free Library is the best run department in the city. I would like to help it stay that way. The employees are intelligent, helpful, and knowledgeable. The library itself is clean and the books are where they are supposed to be.

I have a great deal of experience in budgeting, interviewing, and hiring. I have spent 46 years in manufacturing. I am now retired and depend on the library for support in many areas.

My wife and I have lived in Bristol for 10 years. We love the town and all it offers.

Thank you for your consideration
