Subject: FW: Statewide MOU - RIGL 45-42-2

Madam Clerk,

Can you kindly place the Statewide MOU Agreement on the next council agenda. Notably, I have attached a copy of the legislation (RIGL 45-42-2) and preamble letter from the Rhode Island Police Chiefs Association for their review – the goal is to have the council review the agreement drafted by our solicitor for passage to garner outside resources for non-emergency police matters (e.g., parades, commencements, details, etc..).
